

DOCCAM 4K HDBT

In-Ceiling Document Camera

FEATURES

- 30x optical zoom with a 70.2° horizontal field of view to capture detailed objects and documents
- Simultaneous outputs provide 4K signals from HDMI and over HDBaseT, with full HD signals via IP H.264 streaming and HD-SDI
- Center-position targeting laser marks the center of the frame, helping position objects accurately for precise capture
- PoE+ powered and native compatibility with OneLINK systems
- Remote management with a browser-based user interface for configuration, management, and control
