

**Turbo Swift Silence, Stand Fan, Intense Refreshment,
Multi-Directional Oscillation**
Turbo Swift Silence
QV5040F0

All-around refreshment and comfort, all year long

Enjoy intense refreshment from every angle, with Turbo Swift Silence. This compact stand fan offers outstanding refreshment you can feel from across the room, with an adaptable 3-in-1 design that oscillates in every direction—for comfort everywhere. At only 20 dB(A)**, its Silent Night mode ensures undisturbed comfort any time of day. What's more, the fan consumes 50% less energy*** and can be paired with your AC, heater or even your humidifier to enhance their use while saving energy!

**On max speed*

Double oscillation vs only horizontal oscillation, internal tests 2024. **On minimum speed, acoustic pressure measure (Lp) at 1 m, internal tests 2024. *Airflow performance measured internally, according to standard EN/IEC 60879:2019 and set to 30 m³/min, compared to VU2330F2.*

EDITORIAL DESCRIPTION

All around refreshment and comfort, all year round

Discover the powerful, extremely silent fan that will be your trusted ally to beat the heat. Turbo Swift Silence delivers intense refreshment from across the room—up to 25 m away— with 1800 m3/h of airflow performance and outstanding air circulation covering your entire space thanks to multi-directional oscillation. Enjoy freshness in extreme silence all summer long, with this 3-in-1 adaptable stand/table fan that offers great comfort of use.

ETAILING DESCRIPTION

Rowenta Turbo Swift Silence, Compact Stand Fan, Intense Refreshment in Extreme Silence, QV5040F0

- INTENSE REFRESHMENT: Your companion to get through heat waves, with outstanding refreshment you can feel from up to 25 m away, thanks to a high-efficiency air speed of up to 3.4 m/s (on max speed)
- WHOLE-ROOM AIR DIFFUSION: Multi-directional oscillation (90° vertical, 120° horizontal), for fresh air covering your entire room, offering two times more refreshment surface
- EXTREMELY SILENT: At only 20 dB(A) thanks to Effitech motor technology, the fan's Silent Night mode delivers intense yet peaceful refreshment—ideal for bedrooms, offices and living rooms
- ENERGY-SAVING: Enjoy the same great performance while consuming 50% less energy (airflow performance measured internally, according to standard EN/IEC 60879:2019 and set to 30 m3/min, compared to VU2330F2)
- 15-YEAR REPAIRABILITY: Low-cost parts available in our 6200 repair centers worldwide, for quick repair over many years—part of our commitment to help protect the environment and cut down on waste
- YEAR-ROUND COMFORT: Pair your stand fan's air circulation feature with a space heater in winter, AC in summer, purifier or even humidifier—for enhanced year-round comfort that saves on energy
- 3-IN-1 COMPACT DESIGN: The sleek, modern design features an adjustable height (72 - 93 - 120 cm) for use as a stand or table fan, and can easily be stored away thanks to its compact size
- TAILORMADE REFRESHMENT: Refreshment tailored to your every need, with 20 speeds from light breeze to turbo powerful—plus 3 auto modes, including natural breeze, silent and night for effortless comfort
- ULTRA CONVENIENT: A digital LED screen and timer of up to 12 hours bring you refreshment whenever you want it, along with a compact remote control with smart-built-in storage—for full accessibility
- WHAT'S IN THE BOX: Turbo Swift Silence Stand Fan, remote control

PRODUCT BENEFITS

Intense refreshment

Outstanding refreshment you can feel from up to 25 m away, thanks to high-efficiency airflow up to 1800 m³/h and an air speed of up to 3.4 m/s*.

Whole-room air diffusion

Multi-directional oscillation turns in every direction—90° vertically and 120° horizontally. Two times more refreshment surface with multi directional oscillation*. *Double oscillation vs only horizontal oscillation, internal tests 2024.

Extremely silent

At only 20 dB(A) thanks to Effitech motor technology, the Silent Night mode delivers intense yet peaceful refreshment—ideal for sleeping.

Energy-saving

Enjoy the same great performance while consuming 50% less energy. *Airflow performance measured internally, according to standard EN/IEC 60879:2019 and set to 30 m3/min, compared to **VU2330F2**

Year-round comfort

Pair with a space heater in winter, AC in summer, or a humidifier—for enhanced performance and year-round comfort that saves on energy.

3-in-1 compact design

Modern design featuring an adjustable 3-step height (72-93-120 cm) for use as a stand or table fan—with dedicated extra-tube storage in the foot.

Tailormade refreshment

Refreshment tailored to your every need, with 20 speeds from light breeze to powerful airflow—plus 3 auto modes (natural breeze, silent and night).

Ultra convenient use

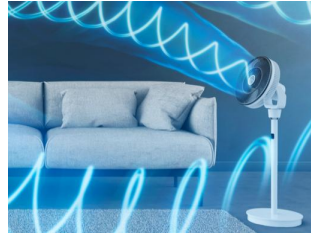

A digital LED screen and timer of up to 12 hours for refreshment any time, along with a compact remote control with smart-built-in magnetic storage.

Plastic grid and blades

High efficiency blades and plastic grid for enhanced performances

Multi directional oscillation

Automatic multi directional oscillation for air circulation function

Adjustable height

Adjustable size by removable tube 93cm to 72cm – storage on base

LED screen & digital control panel

Modern LED screen and control panel with capacitive touch

Practical base

Storage space for tube when you don't use it at 72 cm height

Removable plug

External power supply, removable plug when you don't use your fan

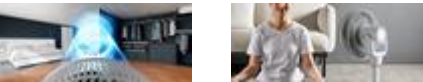

Double oscillation vs only horizontal oscillation, internal tests 2024. **On minimum speed, acoustic pressure measure (Lp) at 1 m, internal tests 2024. *Airflow performance measured internally, according to standard EN/IEC 60879:2019 and set to 30 m3/min, compared to VU2330F2.*

PRODUCT FEATURES

TYPE OF PRODUCT

➤ Type	Classic
➤ Model	Stand
➤ Diameter	34 cm
➤ Maximum height	0,93 m
➤ Minimum height	0,72 m

AIR PERFORMANCE

➤ Airflow min (m3/min)	30
➤ Speed of air max (N)	3,4
➤ Automatic oscillation	Yes
➤ Orientation	Yes
➤ Number of blades	8

COMFORT IN USE

➤ Power cord length	1,8 m
➤ Control panel	Electronical
➤ Remote control	Yes
➤ Remote control storage	Yes
➤ Timer	Yes
➤ Timer	12 h
➤ Type of plug	EUR
➤ Plug Color	Black
➤ Removable Cord	Yes

QUIETNESS

➤ Sound level min	20 dB(A)
-------------------	----------

TECHNICAL CHARACTERISTICS

➤ Voltage	220-240 V
➤ Frequency	50/60 Hz
➤ Tropical motor	Yes
➤ Power	36W max, 2W W
➤ Colours	Black and White
➤ Sound level	Very quiet (<45 db(A))
➤ Number of settings	20 speeds
➤ Timer / Auto-off	Yes

➤ Country of origin	China
