

MPN: MC-USB3.1CHDMIX2-2IN1

USB-C or USB A 2in1 to HDMI 2x Silicon motion splitter, with one click video shut-off function, Converter

Enhance your productivity and viewing experience with the USB 3.0 to HDMI Dual Display Adapter, designed to seamlessly connect your USB-A or USB-C port to two HDMI displays. Whether you need Mirror, Extend, Rotation, or Clamshell modes, this adapter provides flexible display options for multitasking, presentations, and entertainment.

With support for 4K@30Hz on one display and 1080p@60Hz on the other, you'll enjoy crisp visuals and smooth video playback. The adapter is compatible with USB-C, USB-A, Thunderbolt 3/4, and USB 4, making it a versatile solution for both Windows and macOS users.

With its unique On/off video feature you can quickly turn off the displays to hide sensitive information, and make it easier to swap between windows without showing confidential information. Making this your ideal companion for meetings and customer visits.

- Dual HDMI Display Support – Connect two screens simultaneously with 4K@30Hz on one and 1080p@60Hz on the other.
- Universal Compatibility – Works with USB-A, USB-C, Thunderbolt 3/4, and USB 4 ports for maximum flexibility.
- Multiple Display Modes – Supports Mirror, Extend, Rotation, and Clamshell modes for different workspace needs.
- High-Quality Video Decoding – Compatible with H.264, H.263, MP4, DivX, AVS, JPEG, and more for smooth media playback.
- Convenient On/Off Screen Button – Easily control your screens with a one-key function button for quick display management.

Specifications

Certificates	Compliance certificates	CE, RoHS, Federal Communications Commission (FCC)
Features	Cable length	0.12 m
	Cable material	Copper
	Connector 1	USB-C
	Connector 1 gender	Male
	Connector 2	HDMI
	Connector 2 gender	Female
	Connector housing material	Acrylonitrile butadiene styrene (ABS)
	Maximum resolution	3840 × 2160 pixels
Operational conditions	Operating relative humidity (H-H)	10 - 85 %
	Operating temperature (T-T)	0 - 60 °C
	Storage relative humidity (H-H)	5 - 90 %
	Storage temperature (T-T)	-10 - 70 °C
Other features	Cable colour	Black
	Material	Acrylonitrile butadiene styrene (ABS), PVC

Packaging content	Manual	Yes
Vendor information	Brand Name	MicroConnect
	Warranty	25 Year(s)
