

HP Fortis Flip G1i 11 inch Chromebook

Rugged, convertible Chromebook

Tough enough to withstand mishaps, this HP Fortis Flip G1i Chromebook features a durable 360-degree hinge. Engage in blended learning with the tools to suit your style, thanks to the optional HP USI Garaged Pen¹, 8MP second camera², and connectivity options.²

Fast, reliable connectivity and performance

Quickly access data and apps in the cloud with Wi-Fi6E⁶ and optional 4G LTE.⁷ Stay productive with the latest Intel® N-Series processor⁸, up to 16GB LPDDR5 RAM³, up to 128GB UFS^{3,9}, and long battery life—get 90% charge in 90 minutes with HP Fast Charge.¹⁰

Durable, reliable design

Resist damage from daily use with a fan-less, ruggedized Chromebook that can withstand drops up to 122cm (48.03 in)⁴ and undergoes 19 MIL-STD 810 tests.⁵ The full-skirted, anchored keyboard resists picking, spills up to .350ml (11.8 oz), and dust

Immersive 360-degree design

Adapt to your learning style with the durable, flexible 360-degree hinge on this HP Fortis Flip Chromebook. Easily interact and expand your horizons using the optional HP USI Garaged Pen¹ and dual cameras³ in laptop, tablet, tent, or stand mode

Outer box packaging 100% sustainably sourced

The EPEAT® registered¹² and ENERGY STAR® certified HP Fortis Flip G1i Chromebook uses 100 percent sustainably sourced and recyclable outer box bulk packaging¹¹—helping protect our future

HP Fortis Flip G1i 11 inch Chromebook

כולל

ChromeOS simplicity

Breathe easy with the low-maintenance, highly manageable, and secured ChromeOS. With automatic software updates through June 2035 and built-in anti-virus protection, your device is protected and up to date.¹⁴

Advanced wireless connectivity

Stay connected, even in crowded wireless networks, with a fast, reliable wireless connection. With up to Wi-Fi 6E wireless LAN⁶, this Fortis Chromebook includes MU-MIMO¹⁵, HP Extended Range Wireless LAN, and supports Bluetooth® technology.

Wireless 4G LTE connectivity

Enjoy the freedom to connect from almost anywhere with optional 4G LTE⁷, featuring an embedded eSIM¹⁶ and SIM card slot.¹⁷ Highly reliable .advanced network connectivity helps expand how and where you get things done.

Versatile, durable ports

Maximize flexibility, adding connectivity for displays and peripherals with reinforced ports for durability, including two USB-C® ports, two USB-A ports, and an HDMI port.¹⁸

Fast performance, connectivity, and responsiveness

Get the solid combination of responsive performance and connectivity with the latest Intel® N-Series processor⁸ that lets you launch, create, and .connect quickly and reliably.

Updated storage and performance options

Complete school assignments with plenty of storage and updated memory. Featuring up to 128GB Universal Flash Storage^{9,3} and 16GB LPDDR5 .memory³ options, seamlessly run all your apps with minimal lag and power consumption.

Tested for reliability and durability

Undergoes 19 MIL-STD 810⁵ and HP Total Test Process¹⁹, with IP51²⁰, and education drop testing for hardware and systems to help ensure this Fortis Chromebook for education meets or exceeds HP durability standards—helping reduce costly mishaps.⁴

Create, edit, write, and touch—naturally

Easily jot notes and capture information with the natural, intuitive touchscreen and pen-point accuracy of the optional HP USI Garaged Pen.¹

Work longer, charge faster

Long battery life gets you through the school day without plugging in. When the day goes longer, you can quickly recharge your Chromebook with HP Fast Charge. You'll get up to 90% battery life in just 90 minutes of charging.¹⁰

Purpose-driven, smooth 360° hinge

Flip and fold this convertible Chromebook for education to the optimal mode for your learning style and activity. Create content in laptop mode, .collaborate in stand mode, share in tent mode, and write and draw in tablet mode.

Stylish, scratch-resistant keyboard palmrest

Help protect your technology investment. The keyboard palmrest features a modern-looking dot texture that's both visually appealing and resists .scratches and fingerprints.

Explore with dual cameras

Unleash creativity with multimedia tools that let you record, broadcast, and chat with the user-facing camera. See what's recording onscreen and .capture photos and videos with the optional auto focus world-facing³ 8MP 2nd camera.

¹Optional HP USI Garaged Pen sold separately or as a configurable option. The active HP Wacom EMR pen is not useable with the device

²Sold separately or as a configurable option

³Optional feature that must be configured at the time of purchase

⁴122cm test on plywood and 76cm test on concrete. Drop test is not a guarantee of future performance under these test conditions. Any accidental damage requires an optional HP

Accidental Damage Protection Care Pack

⁵MIL-STD testing is not intended to demonstrate fitness for U.S. Department of Defense contract requirements or for military use. Test results are not a guarantee of future performance

under these test conditions. Accidental damage requires an optional HP Accidental Damage Protection Care Pack

⁶Wi-Fi 6E requires a Wi-Fi 6E router, sold separately, to function in the 6GHz band. Availability of public wireless access points limited. Wi-Fi 6E is backwards compatible with prior 802.11 specs

and available in countries where Wi-Fi 6E is supported

⁷Gigabit class Category 16 4G LTE module is optional and must be configured at the factory. Module designed for up to 1 Gbps download speeds as carriers deploy 5 carrier aggregation and

100Mhz channel bandwidth, requires activation and separately purchased service contract. Backwards compatible to HSPA 3G technologies. Check with service provider for coverage and availability in your area. Connection, upload and download speeds will vary due to network, location, environment, network conditions, and other factors. 4G LTE not available on all products, in

all regions

⁸Multicore is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and

clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering, branding and/or naming is not a measurement of higher

performance

⁹Up to 128GB Universal Flash Storage (UFS) is an optional feature that must be configured at the time of purchase. For storage drives, GB = 1 billion bytes. Actual formatted capacity is less. Up

to 18.0GB is not user accessible

¹⁰Recharges the battery up to 90% within 90 minutes when the system is off or in standby mode, when used with the power adapter provided with the notebook, and no external devices are

connected. After charging has reached 90% capacity, charging speed will return to normal. Charging time may vary +/-10% due to System tolerance

¹¹percent outer box packaging made from sustainably sourced certified and recycled fibers. Fiber cushions made from 100 percent recycled wood fiber and organic material. Any plastic

cushions are made from >90 percent recycled plastic

¹⁴See <https://support.google.com/chrome/a/answer/6220366?hl=en> for more information

¹⁵Multiple-Input Multiple-Output (MU-MIMO) is a wireless technology that uses multiple transmitters and receivers to enhance data transfer. MIMO requires a MU-MIMO router, sold

separately

¹⁶eSIM is not user accessible without WWAN configuration

¹⁷SIM slot is not user accessible without WWAN configuration

¹⁸USB-C® and HDMI cables sold separately and not included

¹⁹HP Total Test Process testing is not a guarantee of future performance under these test conditions. Accidental damage requires an optional HP Accidental Damage Protection Care Pack

²⁰IP51 rating is not a guarantee of future performance under these test conditions. Accidental damage requires an optional HP Accidental Damage Protection Care Pack

מפרט הערות שוליים

²Multicore is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and

clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering, branding and/or naming is not a measurement of higher

performance

³Processor speed denotes maximum performance mode; processors will run at lower speeds in battery optimization mode

⁴Intel® Turbo Boost performance varies depending on hardware, software and overall system configuration. See www.intel.com/technology/turboboost for more information

⁵For storage drives, GB = 1 billion bytes. Actual formatted capacity is less. Up to 8.1 GB is not user available

⁶Wi-Fi 6E requires a Wi-Fi 6E router, and Windows 11, to function in the 6GHz band. Availability of public wireless access points limited. Wi-Fi 6E is backwards compatible with prior 802.11 specs

And available in countries where Wi-Fi 6E is supported

⁷Wi-Fi 6 (802.11ax) is backwards compatible with prior 802.11

specs

⁸Chromecast must be purchased separately

⁹WWAN module is an optional feature, requires factory configuration and requires separately purchased service contract. Check with service provider for coverage and availability in your

area. Connection speeds will vary due to location, environment, network conditions, and other factors. 4G LTE not available on all products, in all regions

¹⁰FHD/HD content required to view FHD/HD images

¹¹Resolutions are dependent upon monitor capability, and resolution and color depth settings

¹²Actual brightness will be lower with touchscreen

¹³All specifications represent the typical specifications provided by HP's component manufacturers; actual performance may vary either higher or lower

¹⁴HP Support Assistant requires Windows and Internet access

¹⁶Chrome Education Upgrade requires one-time setup, subscription, Google Admin Console, and your organization's domain. Please see <https://support.google.com/a/answer/60216>

¹⁷Lock is sold separately

¹⁹For new batteries, actual battery Watt-hours (Wh) may differ from the design capacity and may have a full charge capacity that differs by up to 10, which is typical for lithium-ion batteries.

Battery capacity naturally decreases over time and with use, depending on several factors such as battery health management settings, shelf life, temperature, environment, loaded apps, features, system configuration, and power settings

²⁰Recharges up to 90% within 90 minutes when the system is off or in standby mode when used with the power adapter provided with the notebook. After charging has reached 90% capacity,

charging speed will return to normal. Charging time may vary +/-10% due to System tolerance
