

# HP EliteBook 6 G1i 14 inch Notebook AI PC

## AI-ready for enterprise productivity

AI-based experiences and modern connectivity enhance user productivity. The HP EliteBook 6 G1i 14 inch AI PC offers an 11 TOPS NPU<sup>3</sup>, enterprise-grade security and manageability in a highly configurable PC that meets the demanding needs of enterprise users.

### Optimize IT efficiency

Enable your IT team to focus on strategic initiatives and meet corporate and public sector's demanding IT requirements with HP Wolf Security for Business<sup>4</sup> and remote manageability, all in a durable serviceable chassis.

### Ready for AI workloads

Boost performance and answer the demands of today's demanding workloads with the latest Intel<sup>®</sup> 2 processor with an up to 11 TOPS NPU<sup>3</sup>, on this globally available and easy-to-service laptop.

### Enhanced conferencing and collaboration experience

Remove barriers to collaboration for global teams with this AI PC. Poly Studio tuned speakers with AI Noise Reduction<sup>5</sup> and a 5MP camera allow for clear and productive conversations.

\*Product image may differ from actual product

## Sustainability in action

### Help protect our shared future

This HP EliteBook 6 G1a 14 inch AI PC is designed using 50% recycled aluminum in the external covers<sup>6</sup>, 50% post-consumer recycled plastic in the keycaps<sup>7</sup>, and the outer box packaging is 100% sustainably sourced and recyclable.<sup>8</sup>

# HP EliteBook 6 G1i 14 inch Notebook AI PC

## Featuring

### Optimize IT efficiency

Enable your IT team to focus on strategic initiatives and meet corporate and public sector's demanding IT requirements with HP Wolf Security for Business<sup>4</sup> and remote manageability, all in a durable serviceable chassis.

### Ready for AI workloads

Boost performance and answer the demands of today's demanding workloads with the latest Intel®<sup>2</sup> processor with an up to 11 TOPS NPU<sup>3</sup>, on this globally available and easy-to-service laptop.

### Enhanced conferencing and collaboration experience

Remove barriers to collaboration for global teams with this AI PC. Poly Studio tuned speakers with AI Noise Reduction<sup>5</sup> and a 5MP camera allow for clear and productive conversations.

### Help protect our shared future

This HP EliteBook 6 G1a 14 inch AI PC is designed using 50% recycled aluminum in the external covers<sup>6</sup>, 50% post-consumer recycled plastic in the keycaps<sup>7</sup>, and the outer box packaging is 100% sustainably sourced and recyclable.<sup>8</sup>

### HP Recommends Windows 11 Pro for business with Microsoft Copilot

Work anywhere without compromising on performance with Windows 11<sup>1</sup> and HP collaboration, security, and connectivity technology. Summarize and get relevant content recommendations with Microsoft Copilot.<sup>9</sup>

### Intel® powers PCs enhanced by AI

Free up time to focus on what matters with the latest Intel® Core™ Ultra processor with an 11 TOPS NPU.<sup>2,3</sup> Three compute engines manage workloads, help improve video conferencing and allow for advanced content creation.

### Easy battery management

Manage and monitor your battery's performance and condition and customize charging options with the easy-to-use HP Power Manager dashboard.<sup>5</sup>

### Protected by HP Wolf Security

HP Wolf Security for Business creates a hardware-enforced, always-on, resilient defense. From the BIOS to the browser, above, in, and below the OS, these constantly evolving solutions help protect your PC from modern threats.<sup>4</sup>

### Browse confidently

Help protect your PC from websites and read-only Microsoft Office and PDF attachments that contain malware, ransomware, or viruses with hardware-enforced security from HP Sure Click.<sup>11</sup>

### Keep visual hackers at bay

Stop shoulder surfers in their tracks with optional HP Sure View<sup>12</sup> that you can quickly activate with one keystroke. When activated Sure View reduces visual light making it unreadable when viewed from the side.

### HP Sure Sense

Malware is evolving rapidly beyond traditional antivirus capabilities. Protect your PC against never-before-seen attacks with HP Sure Sense, which combines behavioral analysis with advanced AI techniques to provide exceptional protection.<sup>13</sup>

### Hear and be heard

Dynamic Voice Leveling<sup>5</sup> automatically enhances microphone gain to optimize voice clarity within 3-meters of the PC. AI Noise Reduction<sup>5</sup> uses noise-filtering technology to enhance audio conferencing experience even while wearing a mask.

### Fast and efficient Wi-Fi 7

The portability of your PC and the reliability of a fast connection determines where you can work. Get a fast and reliable connection in dense wireless environments with gigabit data rate Wi-Fi 7.<sup>14,15</sup>

### Stay Connected

With up to gigabit class 4G LTE powered with 4x4 antennas, your "office" can be where you need it, letting you stay connected almost everywhere.<sup>16</sup>

### Enhanced predictive coverage

Limit interruptions with HP Premium+ Support, a smart service that alerts of potential device issues using predictive AI-powered insights, automation and proactive 24/7 support for our fastest diagnosis and repair—wherever work happens.<sup>17,18</sup>

## Accessories and services (not included)

**HP Universal USB-C Multiport Hub**

Unlock new possibilities with the HP Universal USB-C Multiport hub, now supporting any USB-C<sup>1</sup> compatible PC. 7 ports, 1 power and data passthrough cable, and many peripherals to plug and play however you like. It also supports dual 4K<sup>2</sup> displays via HDMI 2.0 and 1 DisplayPort™ 1.2. This hub is all you need to stay connected.

**Product number: 50H55UT**

<sup>1</sup> USB Type-C® and USB-C® are trademarks of USB Implementers Forum.

<sup>2</sup> 4K content required to view full 4K images.

**HP 65W GaN USB-C Laptop Charger**

Our 65W laptop charger is kind of a big deal. It plays well with most USB-C® devices<sup>1</sup>, packs two powerful ports for simultaneous charging<sup>2</sup>, and it's smaller than ever. Pack this petite power player and enjoy fast charging<sup>3</sup> wherever you roam and the efficiency of gallium nitride (GaN) technology .

**Product number: 600Q8UT**

<sup>1</sup> Up to 65W max output in single port mode. Up to 30W + 30W, 45W + 20W, or 20W + 45W max output in dual port mode.

<sup>2</sup> Supported outputs when dual port mode is active will depend on devices being charged. Up to 30W + 30W, 45W + 20W, or 20W + 45W max output in dual port mode.

**HP Renew Executive 14-inch Laptop Sleeve**

We've put an all-new spin on premium design and high quality materials. Crafted with functional style, this laptop sleeve fits your work or life needs with places and pockets for all your work essentials. Keep what's important close to you and keep your commitment to the planet with the external material containing 100% recycled plastics<sup>1</sup>.

**Product number: 6B8Y3AA**

<sup>1</sup> Exterior material contains 100% recycled PET prior to the addition of dye, the equivalent of four 16.9 oz. recycled plastic water bottles.

<sup>2</sup> Lysol Disinfectant Spray Type C (EPA Registration No. 777-54-AA) can be used to clean the HP Renew Executive 14.1-inch Laptop Sleeve up to 50 times. See Lysol's use instructions.

## Footnotes

## Messaging Footnotes

- <sup>1</sup> Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows 11 is automatically updated, which is always enabled. High speed internet and Microsoft account required. ISP fees may apply and additional requirements may apply over time for updates. See <http://www.windows.com>.
- <sup>1</sup> Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows 11 is automatically updated, which is always enabled. High speed internet and Microsoft account required. ISP fees may apply and additional requirements may apply over time for updates. See <http://www.windows.com>.
- <sup>2</sup> Multicore is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. AMD's numbering is not a measurement of clock speed.
- <sup>3</sup> Features and software that require an NPU may require software purchase, subscription or enablement by a software or platform provider, and third-party software may have specific configuration or compatibility requirements. Performance varies by use, configuration, and other factors.
- <sup>4</sup> HP Wolf Security for Business requires Windows 10 or 11 Pro and higher, includes various HP security features and is available on HP Pro, Elite, Workstation, and RPOS products. See product details for included security features.
- <sup>5</sup> Requires HP app and Windows OS.
- <sup>6</sup> Recycled metal is expressed as a percentage of the total weight of the metal according to ISO 14021 definitions for metal parts over 25 grams.
- <sup>7</sup> Recycled plastic content percentage is based on the definition set in the IEEE 16801:2018 EPEAT standard.
- <sup>8</sup> 100% outer box packaging made from sustainably sourced certified and recycled fibers.
- <sup>9</sup> May require Windows Update or app download from the Microsoft Store. Microsoft Copilot is NOT available in China, Russia, Belarus, and embargoed regions Cuba, Iran, North Korea, Crimea.
- <sup>9</sup> May require Windows Update or app download from the Microsoft Store. Microsoft Copilot is NOT available in China, Russia, Belarus, and embargoed regions Cuba, Iran, North Korea, Crimea.
- <sup>11</sup> HP Sure Click requires Windows 10 and higher. See [https://bit.ly/2PrLT6A\\_SureClick](https://bit.ly/2PrLT6A_SureClick) for complete details.
- <sup>12</sup> HP Sure View integrated privacy screen is an optional feature that must be configured at purchase and is designed to function in landscape orientation.
- <sup>13</sup> HP Sure Sense is available on select HP PCs with Windows 10 Pro, Windows 10 Enterprise, Windows 11 Pro, or Windows 11 Enterprise OS.
- <sup>13</sup> Wireless access point and Internet service required and sold separately. Availability of public wireless access points limited. Wi-Fi 7 (802.11BE) functionality requires compatible Windows 11 OS, compatible processor, and separately purchased Wi-Fi 7 router to support backwards compatibility with prior 802.11 specs. Available in countries where Wi-Fi 7 is supported. The specification for 802.11BE is a draft specification and is not final. If the final specification differs from the draft specification, it may affect the ability of the device to communicate with other 802.11BE devices.
- <sup>14</sup> Wi-Fi\* supporting gigabit data rate is achievable with Wi-Fi 7 (802.11BE) when transferring files between two devices connected to the same router. Requires a wireless router, sold separately, that supports 160MHz channels.
- <sup>15</sup> Gigabit-class 4G LTE module is optional and must be configured at the factory. Module designed for up to 1 Gbps download speeds as carriers deploy 5 carrier aggregation and 100MHz channel bandwidth, requires activation and separately purchased service contract. Backwards compatible to HSPA 3G technologies. Check with service provider for coverage and availability in your area. Connection, upload, and download speeds will vary due to network, location, environment, network conditions, and other factors. 4G LTE not available on all products in all regions.
- <sup>17</sup> Predictive Insights is only available with HP Premium+ Support. Select HP Workforce Solutions require an HP Insights agent for Windows, Mac, & Android, available for download at <https://admin.hp.com/software>. For full system requirements and services that require the agent, please visit <https://admin.hp.com/requirements>. The agent collects telemetry and analytics around devices and applications that integrate into the Workforce Experience platform and is not sold as a standalone service. Internet access with connection to the Workforce Experience platform is required. HP follows stringent GDPR privacy regulations, and the platform is ISO27001, ISO27701, ISO27017, and SOC2 Type2 certified for Information Security.
- <sup>18</sup> HP Essential Support, HP Premium Support and HP Premium+ Support are available at the time of device purchase. Service levels and response times for HP Care Packs may vary depending on your geographic location. Service starts on date of hardware purchase. Restrictions and limitations apply. For details, visit [www.hp.com/go/cpc](http://www.hp.com/go/cpc). HP services are governed by the applicable HP terms and conditions of service provided or indicated to Customer at the time of purchase. Customer may have additional statutory rights according to applicable local laws, and such rights are not in any way affected by the HP terms and conditions of service or the HP Limited Warranty provided with your HP Product.

## Specification Footnotes

- <sup>1</sup> Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows is automatically updated and enabled. High speed internet and Microsoft account required. ISP fees may apply and additional requirements may apply over time for updates. See <http://www.windows.com>.
- <sup>2</sup> Multicore is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering, branding and/or naming is not a measurement of higher performance.
- <sup>3</sup> Processor speed denotes maximum performance mode; processors will run at lower speeds in battery optimization mode.
- <sup>4</sup> Intel® Turbo Boost performance varies depending on hardware, software and overall system configuration. See [www.intel.com/technology/turboboost](http://www.intel.com/technology/turboboost) for more information.
- <sup>5</sup> Features and software that require a NPU may require software purchase, subscription or enablement by a software or platform provider, and third party software may have specific configuration or compatibility requirements. Potential NPU inferencing performance varies by use, configuration, and other factors.
- <sup>6</sup> Intel vPro™ requires Windows 10 Pro 64 bit or higher, a vPro supported processor, vPro enabled chipset, vPro enabled wired LAN and/or Wi-Fi 6E WLAN and TPM 2.0. Some functionality requires additional 3rd party software in order to run. Features of vPro™ Essentials and Enterprise vary. See <https://intel.com/vpro>.
- <sup>7</sup> Due to the non-industry standard nature of some third-party memory modules, we recommend HP branded memory to ensure compatibility. If you mix memory speeds, the system will perform at the lower memory speed.
- <sup>8</sup> For storage drives, GB = 1 billion bytes. TB = 1 trillion bytes. Actual formatted capacity is less. Up to 32 GB is reserved for system recovery software.
- <sup>9</sup> Wi-Fi 6E requires a Wi-Fi 6E router, sold separately to function in the 6GHz band. Availability of public wireless access points limited. Wi-Fi 6E is backwards compatible with prior 802.11 specs. And available in countries where Wi-Fi 6E is supported.
- <sup>10</sup> Wireless access point and Internet service required and sold separately. Availability of public wireless access points limited. Wi-Fi 7 (802.11BE) functionality requires compatible Windows OS, select Intel® processor, and a Wi-Fi 7 router, sold separately. Wi-Fi 7 is backwards compatible with prior 802.11 specs. Available in countries where Wi-Fi 7 is supported. The specification for 802.11BE is a draft specification and is not final. If the final specification differs from the draft specification, it may affect the ability of the device to communicate with other 802.11BE devices.
- <sup>11</sup> Miracast is a wireless technology your PC can use to project your screen to TVs, projectors, and streaming.
- <sup>12</sup> 4G LTE module is optional, must be configured at the factory, requires activation and separately purchased service contract. Check with service provider for coverage and availability in your area. Connection, upload and download speeds will vary due to network, location, environment, network conditions, and other factors. 4G LTE not available on all products, in all regions.
- <sup>13</sup> Available on select models. Module requires activation and separately purchased service contract. Check with service provider for coverage and availability in your area. Connection speeds will vary due to location, environment, network conditions, and other factors. 4G LTE not available on all products, in all regions.
- <sup>14</sup> LPWAN (also called Mobile Narrowband) support HP Protect & Trace with Wolf Connect service through the subscription term, but do not support mobile broadband use.
- <sup>15</sup> Cat M1 LPWAN (Mobile Narrowband) cards support select platforms with the HP Protect & Trace with Wolf Connect service, but do not support mobile broadband/Internet use.
- <sup>16</sup> Sold separately or as an optional feature that must be configured at purchase.
- <sup>17</sup> USB 20Gbps speed is not available with Thunderbolt™ 4.
- <sup>18</sup> Resolutions are dependent upon monitor capability, and resolution and color depth settings.
- <sup>19</sup> HP Sure View integrated privacy screen is an optional feature that must be configured at purchase and is designed to function in landscape orientation.
- <sup>20</sup> All specifications represent the typical specifications provided by HP's component manufacturers; actual performance may vary either higher or lower. Actual brightness will be lower with touchscreen or Sure View.
- <sup>21</sup> HP Services Scan is provided with Windows Update on select products and will check entitlement on each hardware device to determine if an HP TechPulse-enabled service has been purchased, and will download applicable software automatically. HP TechPulse is a telemetry and analytics platform that provides critical data around devices and applications. For full system requirements or to disable this feature, please visit <http://www.hpdaas.com/requirements>. Not applicable in China.
- <sup>22</sup> HP Smart Support requires the HP Insights agent to be installed. For more information about how to enable or to download HP Smart Support, please visit <http://www.hp.com/smart-support>.
- <sup>23</sup> Poly Lens Desktop requires a Windows OS.
- <sup>23</sup> Copilot in Windows requires Windows 11. Some features require an NPU. Timing of feature delivery and availability varies by market and device. Requires Microsoft account to log in. Where Microsoft in Windows is not available, the Copilot key will lead to the Bing search engine. Use of Recall requires customer authentication using Windows Hello Enhanced Sign in Security (ESS) which requires a fingerprint reader or facial recognition camera and may not be supported on all platforms. See <http://aka.ms/WindowsAIFeatures>
- <sup>24</sup> HP Client Catalog not preinstalled, however available for download at <https://www.hp.com/us-en/solutions/client-management-solutions.html>
- <sup>25</sup> HP Client Management Script Library (<https://www.hp.com/us-en/solutions/client-management-solutions.html#tab=manageability-tools>).
- <sup>26</sup> HP Cloud Recovery is available for 2 by HP, HP Elite and Pro desktops and laptops PCs with Intel® or AMD processors and requires an open, network connection. Note: You must back up important files, data, photos, videos, etc. before use to avoid loss of data. Detail please refer to: <https://support.hp.com/us-en/computer>.
- <sup>28</sup> HP Driver Packs not preinstalled, however available for download at <http://www.hp.com/go/clientmanagement>.
- <sup>29</sup> HP Image Assistant not preinstalled, however available for download at (<https://hpext.hp.com/pub/caps-software/cmit/HPIA.html>).
- <sup>30</sup> HP Manageability Integration Kit not preinstalled, however available for download from <https://www.hp.com/us-en/solutions/client-management-solutions.html#tab=manageability-tools>.
- <sup>31</sup> HP Power Manager with Battery Health can be downloaded by entering your system information here: [https://support.hp.com/in-en/document/ish\\_4449597-35190716](https://support.hp.com/in-en/document/ish_4449597-35190716).
- <sup>32</sup> HP Tamper Lock must be enabled by the customer or your administrator.
- <sup>33</sup> Secured Core PC requires an Intel® vPro®, AMD Ryzen™ Pro processor or Qualcomm® processor with SD8950 or higher and requires 8 GB or more system memory. Secured Core PC functionality can be enabled from the factory.
- <sup>34</sup> HP Sure Admin requires HP G8 or newer platforms, Windows 10 or higher, HP BIOS, HP Manageability Kit or KMS Service from <http://www.hp.com/go/clientmanagement> and HP Sure Admin Local Access Authenticator smartphone app from the Android or Apple store.
- <sup>35</sup> HP Sure Click requires Windows 10 and higher. See [https://bit.ly/2PrLT6A\\_SureClick](https://bit.ly/2PrLT6A_SureClick) for complete details.
- <sup>36</sup> HP Sure Recover is available on select HP PCs and requires Windows 10 or 11 and an open network connection. You must back up important files, data, photos, videos, etc. before using HP Sure Recover to avoid loss of data.
- <sup>37</sup> HP Sure Run is available on select HP PCs and requires Windows 10 and higher.
- <sup>38</sup> HP Sure Sense requires Windows 10 and higher. See product specifications for availability. On units with WWAN shipping to China, HP Sure Sense is only available via Softpaq download.
- <sup>39</sup> HP Sure Start is available on select HP PCs and requires Windows 10 and higher.
- <sup>40</sup> Absolute Persistence firmware module is shipped turned off and can only be activated with the purchase a license subscription and full activation of the software agent. License subscriptions can be purchased for terms ranging multiple years. Service is limited, check with Absolute for availability outside the U.S. Certain conditions apply. For full details visit: <https://www.absolute.com/about/legal/agreements/absolute/>
- <sup>41</sup> HP BIOSphere Gen6 features may vary depending on the platform and configuration.
- <sup>42</sup> HP Secure Erase implements the methods outlined in the National Institute of Standards and Technology Special Publication 800-88r "Clear"™ sanitization method. HP Secure Erase does not support platforms with Intel® Optane™.
- <sup>43</sup> Lock is sold separately.
- <sup>44</sup> HP BIOSphere Gen6 features may vary depending on the platform and configuration.
- <sup>46</sup> HP Fingerprint Sensor is an optional feature and requires configuration at purchase.
- <sup>46</sup> For new batteries, actual battery Watt-hours (Wh) may differ from the design capacity and may have a full charge capacity that differs by up to 10, which is typical for lithium-ion batteries. Battery capacity naturally decreases over time and with use, depending on several factors such as battery health management settings, shelf life, temperature, environment, loaded apps, features, system configuration, and power settings.
- <sup>48</sup> Recharges up to 50% within 30 minutes when the system is off or in standby mode when used with the power adapter provided with the notebook. Power adapter minimum of 65 watts required for battery capacities 56Whr or less. Power adapter minimum of 100 watts required for battery capacities greater than 56Whr and less than 83Whr. Power adapter minimum of 120 watts required for battery capacities greater than 83Whr and less than 100Whr. After charging has reached 90% capacity, charging speed will return to normal. Charging time may vary +/-10% due to System tolerance.
- <sup>49</sup> Availability may vary by country.
- <sup>50</sup> Based on US EPEAT® registration according to IEEE 16801:2018 EPEAT®. Status varies by country. Visit [www.epeat.net](http://www.epeat.net) for more information.
- <sup>51</sup> Intel® Arc™ graphics only available on select Intel® Core™ Ultra H-series processor-powered systems with at least 16GB of system memory in dual channel configuration.
- <sup>51</sup> Backlit keyboard is an optional feature.
- <sup>52</sup> Typical dimension. Actual dimension may vary +/- 0.5mm. Height may vary based on configuration. Maximum Height does not include Rubber feet.
- <sup>53</sup> HP Wolf Security for Business requires Windows 10 or 11 Pro or higher, includes various HP security features and is available on HP Pro, Elite, Workstation, and RPOS products. See product details for included security features and OS requirements.
- <sup>57</sup> Integrated graphics depends on processor. NVIDIA® Optimus™ technology requires an Intel processor, plus an NVIDIA® GeForce™ discrete graphics configuration and is available on Windows 10 Pro OS or higher. With NVIDIA® Optimus™ technology, full enablement of all discrete graphics video and display features may not be supported on all systems (e.g. OpenCL applications will run on the integrated GPU or the APU as the case may be).
- <sup>60</sup> NVIDIA® GeForce RTX™ 3050 discrete graphic card is an optional feature that must be configured at the time of purchase. Only available for U.S. region.
- <sup>64</sup> TCO Certified is an ISO 14024 Type 1 sustainability label for IT products. Compliance with all criteria is independently verified.
