Featuring

Eliminate cable clutter

Minimize cabling with the OMEN Modular Daisy Chain System. Connect up to 10 fans per daisy chain and 16 fans per OMEN Modular Hub.

Asetek's Leak-Proof Pump

Asetek's leak-proof pump is designed for maximum reliability and safety.

Asetek's 7th Gen Pump up to 2800 RPM

Feel the power of advanced cooling with Asetek's 7th Gen Pump, reaching up to 2800 RPM for increased flow rate and performance with low impedance.

Airflow that wins rounds

The 28 mm thick fan produces high airflow at 74 CFM while the annular ring boosts static pressure to 3.1 mm H2O and minimizes blade tip vibrations for low noise levels. Built in ARGB lighting customizable via OMEN Gaming Hub software.

Aluminum Single-Wave Radiator

Say goodbye to airflow constraints with the Aluminum single-wave radiator which minimizes airflow resistance while boosting thermal performance to dissipate heat.

2.1" TFT LCD Display

Express your style with a built in customizable 2.1" TFT LCD display, enhancing your PC build with personalized vibrant visuals at 650 nits of brightness with a resolution of 480 x 480.

aRGB Gen 2 Lighting on all sides of the fan

Customize your fans with aRGB Gen 2 lighting. 10 individually-addressable LEDs enable smooth color gradients and animated lighting effects customizable through OMEN Gaming Hub Software.

OMEN Gaming Hub

OMEN Gaming Hub is your one place for everything to make your gaming experience better. From software enhancements to detailed hardware controls, and live services, OMEN Gaming Hub elevates play in easy and simple way.

Pre applied thermal paste

Pre applied thermal paste simplifies the installation process by eliminating one critical step for the user. We have applied the correct amount of thermal paste needed for optimal thermal transfer from the CPU to the cooling plate.

5-Years Warranty

Rest easy - your purchase is covered with our 5-year warranty, offering you unmatched support and reliability.
