Our ultimate all-in-one experience
- Cinematic viewing for all you watch and play
- Entertainment you love, with a little help from Google
- Total Gaming Solution. Thrilling play for every gamer
- Immersive surround-sound technology
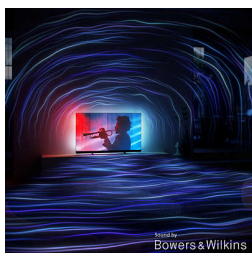

Highlights

Ambilight TV

With four-sided Ambilight, sports, movies, music, and games will feel bigger than ever. Integrated LED lights at the back react to what you watch or listen to, immersing you in a halo of colorful light that emanates from the top, bottom, and sides of the TV. For the full impact, hang your Ambilight TV on the wall.

Bright OLED META panel

Thanks to its second-generation META OLED panel, this OLED+ Ambilight TV does lifelike better and brighter than ever, and the picture looks superb at any angle. With astonishing peak brightness levels, contrast and color are beautifully well defined: even the smallest details leap from shadows and bright areas. All major HDR formats are supported.

Sound by Bowers & Wilkins

A slim, integrated sound system from Bowers & Wilkins creates an extra-wide soundstage for incredible immersion. Nine front-firing drivers

and a dedicated center channel direct detailed sound with clear dialogue directly toward you. A rear-mounted subwoofer provides deep, accurate bass.

P5 AI Perfect Picture Engine

Our P5 engine with AI gets the most out of this bright OLED+ TV to bring you a picture so real it feels you could step right into it! A deep-learning AI algorithm effortlessly optimizes detail, contrast, color, and motion, as well as compensating for any changes to ambient lighting in your room. Whatever's on screen, the picture's perfect.
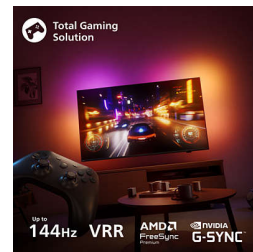

Cinematic viewing

Hold onto the edge of your seat! With Dolby Vision on board, you'll see the picture the director wanted you to see, no more disappointing scenes that are too dark to make out. Movies to games, say hello to every glorious detail.

Surround-sound technology

Compatibility with Dolby Atmos and DTS:X takes the Bowers & Wilkins sound of this OLED+ TV to another level, in any room. The latest movies, the newest games, the biggest sports events: with sound effects placed in the space above and around you, you'll feel like you're right in the middle of the action.

Total Gaming Solution

HDMI 2.1, 120 Hz native refresh rate, and an ultra-low input lag. Indie game or AAA title, this Ambilight TV gives you the specs you need to game how you want! For more control, Game Bar 2.0 lets you customize how you play, and you can connect a Bluetooth controller for cloud gaming. PC gamers can also enjoy 144 Hz VRR via HDMI.
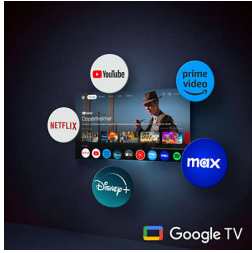

Highlights

Google TV™

What do you want to watch? Google TV brings together movies, shows, and more, from across your apps and subscriptions—and organizes them just for you. You'll get suggestions based on what you like, and you can even use the Google TV app on your phone to curate your watchlist on the go.

Seamless control

Seamless compatibility with Matter means you can easily integrate this 4K Ambilight TV into your existing smart home network. You can also use the TV remote to control your satellite or cable box or wake the Google Assistant—and the TV is compatible with Alexa-enabled devices and Apple AirPlay too.

Sustainable materials

The integrated Bowers & Wilkins sound system looks chic—and four-sided Ambilight creates mesmerizing mood lighting when the screen's off. The slender metal TV remote recharges wirelessly, and has motion-activated backlighting. Our packaging uses FSC-certified recycled cardboard, and inserts are printed on recycled paper.
