## Optimized for expandability

Designed for speed and efficiency and equipped with enterprise-class security and manageability, the compact HP Elite 800 SFF Desktop PC helps future proof your fleet with ultimate flexibility and upgradeability.

## Expansion for the future

Future proof your fleet with up to two PCIe Gen4 SSDs, two HDDs, and four native PCIe Slots that provide enormous expansion. Help ensure broad compatibility with evolving technology with serial ports, a configurable rear I/O port<sup>3</sup>, and 11 USB ports.

### **Breakthrough performance**

Power users with heavy workloads will enjoy the latest Intel® processor<sup>2</sup>, fast dual PCIe Gen 4 storage<sup>3</sup>, and optional AMD Radeon™ RX6300<sup>3</sup> or NVIDIA® T400 graphics.<sup>3</sup> Get ready for an immersive experience with the ability to connect up to eight monitors.<sup>4</sup>

### Protected by HP Wolf Security

HP Wolf Security for Business creates a hardware-enforced, alwayson, resilient defense. From the BIOS to the browser, above, in, and below the OS, these constantly evolving solutions help protect your PC from modern threats.<sup>5</sup>

\*Product image may differ from actual product

### Sustainability in action

### Help protect our shared future

At least 50 percent of all plastic used in this PC is post-consumer recycled plastic.<sup>6</sup> The outer box packaging is 100 percent sustainably sourced.<sup>7</sup> This PC is ENERGY STAR® certified and EPEAT® registered in 23 countries.<sup>8</sup>

## Featuring

#### Work hard without sounding like it

Focus on work while enjoying whisper quiet operation. The HP Elite 800 SFF utilizes HP Run Quiet Design that finely tunes the fans to keep systems running quiet and cool.

#### Help improve performance

Keep multiple applications running without system lag and optimize performance with Intel® Dynamic Tuning Technology that automatically and dynamically allocates power between Intel® processor and an Intel® integrated graphics.<sup>9</sup>

#### Handle data with agility

Quickly access and transfer data to keep up with today's changing business requirements with advanced PCIe Gen 4 SSDs, USB Type-C<sup>®</sup>, and DDR5 memory.

#### Fast and efficient wireless LAN

Get a fast and reliable connection in dense wireless environments with optional Wi-Fi 7.<sup>10,11</sup>

#### **Promote cleanliness**

Tested for 1000 cleanings, high-touched exterior surfaces can be cleaned using commonly available household disinfecting and cleaning wipes.<sup>12</sup>

#### **Built-in durability**

Rest easy with a PC that undergoes 120,000 hours of HP's Total Test Process and MIL-STD 810 testing. Help extend protection with an optional removable dust filter.<sup>3,13,14</sup>

#### Automatic recovery from firmware attacks

Firmware attacks can completely devastate your PC. Stay protected with HP Sure Start Gen7, the self-healing BIOS that automatically recovers itself from attacks or corruption.<sup>15</sup>

# HP Elite SFF 800 G9 Desktop PC

# **Technical specifications**

Management features	HP Client Catalog (download); HP Driver Packs (download); HP Image Assistant; HP Client Management Script Library (download); HP Connect for Microsoft Endpoint Manager; HP Manageability Integration Kit (download); HP Patch Assistant (download); HP CECP Enabled Configuration <sup>11,16,18</sup>
Power	400 W internal power supply, up to 92% efficiency, active PFC; 260 W internal power adapter, up to 92% efficiency, active PFC
Dimensions	13.3 x 12.13 x 3.94 in; 33.8 x 30.8 x 10 cm; 15.71 x 19.65 x 8.98 in 39.9 x 49.9 x 22.8 cm (Package)
Weight	11.11 lb; 5.4 kg; (Exact weight depends on configuration.)
Ecolabels	EPEAT® registered
Energy star certified	ENERGY STAR <sup>®</sup> certified
Sustainable impact specifications	Bulk packaging available; Molded paper pulp cushion inside box is 100% sustainably sourced and recyclable; Outside box and corrugated cushions are 100% sustainably sourced and recyclable; Ocean-bound plastic in speaker enclosure and I/O strip; 10% ITE-derived closed loop plastic; 80 Plus® Platinum power supplies available; 58% post-consumer recycled plastic <sup>31,32,33,34,35,36</sup>

#### Footnotes

#### **Messaging Footnotes**

<sup>2</sup> Multicore is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering, branding and/or naming is not a measurement of higher performance.

<sup>3</sup> Optional feature that must be configured at the time of purchase.

<sup>4</sup> Eight monitors sold separately and connection to eight monitors only supported HP Elite 600 SFF and HP Elite 800 Desktop PCs equipped with NVIDIA® T100 discrete graphics card and compatible flex I/O ports that must be configured at the time

of purchase. <sup>5</sup> HP Wolf Security for Business requires Windows 10 or 11 Pro and higher, includes various HP security features and is available on HP Pro, Elite, Workstation, and RPOS products. See product details for included security features and OS requirements. <sup>6</sup> Recycled plastic content percentage is based on the definition set in the IEEE 16801-2018 standard.

<sup>7</sup>100% outer box packaging made from sustainably sourced certified and recycled fibers. Fiber cushions made from 100% recycled wood fiber and organic material. Any plastic cushions are made from >90% recycled plastic. <sup>8</sup>Based on US EPEAT\* registration according to IEEE 16801-2018 EPEAT\*. EPEAT\* status varies by country. Visit www.epeat.net for more information.

<sup>9</sup> Requires Intel<sup>®</sup> Core<sup>™</sup> i7 or i9 processor and Intel<sup>®</sup> integrated graphics.

10 Wireless access point and Internet service required and sold separately. Availability of public wireless access points limited. Wi-Fi 7 (802:11BE) functionality requires Windows 11 2024, Intel \* Core \*\* 14th gen processors, and a Wi-Fi 7 router, sold separately. Wi-Fi7 is backwards compatible with prior 80211 specs. Available in countries where Wi-Fi7 is supported. The specification for 80211BE is a draft specification and is not final. If the final specification differs from the draft specification, it

<sup>11</sup>Wi-Fi<sup>\*</sup> supporting gigabit data rate is achievable with Wi-Fi 7 (802.11BE) when transferring files between two devices connected to the same router. Requires a wireless router, sold separately, that supports 160MHz channels

1 Select household wipes can be safely used to clean beslect HP commercial PCs. See wipe manufacturer's instructions for disinfecting and the HP cleaning guide for HP tested wipe solutions at How to Sanitize Your HP Device Whitepaper https://h20195.www2.hp.com/v2/GetDocument.aspx?docname=4AA77610ENW not applicable to HP Elite c1030 Chromebook.

<sup>13</sup> HP Total Test Process testing is not a guarantee of future performance under these test conditions. Any accidental damage requires an optional HP Accidental Damage Protection Care Pack.
<sup>14</sup> MIL STD 810 testing is not intended to demonstrate fitness for U.S. Department of Defense contract requirements or for military use. Test results are not a guarantee of future performance under these test conditions. Any accidental damage requires an optional HP Accidental Damage Protection Care Pack. <sup>15</sup> HP Sure Start Gen7 is available on select HP PCs and requires Windows 10 and higher

#### **Specification Footnotes**

<sup>1</sup>Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows is automatically

• Not all reduces or evaluates or evaluates or versions or vers

<sup>4</sup> For full Intel<sup>®</sup> vPro<sup>®</sup> functionality, Windows 11 Pro 64 bit, a vPro supported processor, vPro enabled chipset, vPro enabled wired LAN and/or WLAN card and TPM 2.0 are required. Some functionality requires additional 3rd party software in order to <sup>5</sup> Multi-core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application

workload and your hardware and software configurations. Intel's numbering, branding and/or naming is not a measurement of higher performance. <sup>6</sup> Intel<sup>®</sup> Turbo Boost technology requires a PC with a processor with Intel Turbo Boost capability. Intel Turbo Boost performance varies depending on hardware, software and overall system configuration. See www.intel.com/technology/turboboost for

<sup>7</sup>Memory modules support data transfer rates up to 4800 MT/s; system speed up to 4400 MT/s, following Intel's design guideline. Actual data rate is determined by the system configuration.

<sup>8</sup> System architecture design is 2 DIMMS per channel and the population starts from the furthest memory slot from the processor <sup>9</sup> Symmetric configurations are required for the 2 DIMMs within the same memory channel.

<sup>10</sup> For storage drives, GB = 1 billion bytes. TB = 1 trillion bytes. Actual formatted capacity is less. Up to 36 GB (for Windows) of disk is reserved for system recovery software.
 <sup>11</sup> HP Manageability Integration Kit can be downloaded from http://www.hp.com/go/clientmanagement.
 <sup>13</sup> HP Support Assistant: Requires Windows and Internet access.

<sup>14</sup> PC can only be configured with one of these three available optional features: slim ODD or removable HDD or M.2 SSD bay.

<sup>15</sup> Intel® Ethernet Network Adapter I225-T1: sold separately or as an optional feature.

16 HP Connect for Microsoft Endpoint Manager is available from the Azure Market Place for HP Pro, Elite, Z and Point-of-Sale PCs managed with Microsoft Endpoint Manager. Subscription to Microsoft Endpoint Manager required and sold separately. Network connection required.

<sup>17</sup> HP Smart Support automatically collects the telemetry necessary upon initial boot of the product to deliver device-level configuration data and health insights and is available preinstalled on select products, thru HP Factory Configuration Services; or it can be downloaded. For more information about how to enable HP Smart Support or for download, please visit http://www.hp.com/smart-support <sup>18</sup> HP Patch Assistant available on select HP PCs with the HP Manageability Kit that are managed through Microsoft System Center Configuration Manager. HP Manageability Integration Kit can be downloaded from

http://www8.hp.com/us/en/ads/clientmanagement/overview.html.

<sup>19</sup> Availability varies by countries.

<sup>20</sup> HP Sure Sense is available on select HP PCs and is not available with Windows10 Home.

<sup>22</sup> HP BIOSphere Gen6 features may vary depending on the platform and configuration. <sup>22</sup> HP Secure Erase for the methods outlined in the National Institute of Standards and Technology Special Publication 800-88 "Clear" sanitation method. HP Secure Erase does not support platforms with Intel<sup>®</sup> Optane<sup>™</sup>.

<sup>24</sup> HP Secure trase for the memory of the transmission matter and the transmission of the tr

<sup>26</sup> HP Sure Start Gen7 is available on select HP PCs

27 HP Sure Recover Gen5 is available on select HP PCs and requires Windows 10 or higher and an open network connection. You must back up important files, data, photos, videos, etc. before using HP Sure Recover to avoid loss of data. Network

based recovery using Wi-Fi is only available on PCs with Intel Wi-Fi Module. <sup>28</sup> HP Sure Admin requires Windows 10 or higher, HP BIOS, HP Manageability Integration Kit from http://www.hp.com/go/clientmanagement and HP Sure Admin Local Access Authenticator smartphone app from the Android or Apple store. 29 Absolute firmware module is shipped turned off and can only be activated with the purchase a license subscription and full activation of the software agent. License subscriptions can be purchased for terms ranging multiple years. Service is <sup>30</sup> Thunderbolt<sup>™</sup> 30 and Serial/PS/2 combo occupies a PCIe slot.

<sup>31</sup> External power supplies, WWAN modules, power cords, cables and peripherals excluded. Service parts obtained after purchase may not be Low Halogen.
<sup>32</sup> Percentage of ocean-bound plastic contained in each component varies by product.

<sup>34</sup> Recycled plastic content percentage is based on the definition set in the IEEE 16801-2018 standard.
 <sup>34</sup> ITE Derived Closed Loop Plastic percentage is based on the definition set in the IEEE 16801-2018 standard.
 <sup>35</sup> 100% outer box packaging and corrugated cushions made from sustainably sourced certified and recycled fibers.
 <sup>36</sup> 100% outer box packaging and corrugated cushions made from sustainably sourced certified and recycled fibers.

<sup>36</sup> Molded pulp cushions are made from 100% recycled wood fiber and organic materials.

<sup>37</sup> myHP requires Windows OS.

38 Wireless access point and internet service required and sold separately. Availability of public wireless access points limited. Wi-Fi 6 is backwards compatible with prior 80211 specs

<sup>40</sup> Wireless access point and internet service required and sold separately. Availability of public wireless access points initiated, wireless access points initiated wireless access points in the same supplier) within the same memory channel <sup>40</sup> All memory slots are customer accessible / upgradeable. 41 Wireless access point and Internet service required and sold separately. Availability of public wireless access points limited. Wi-Fi 7 (802:11BE) functionality requires Windows 11 2024, Intel \* Core 🐃 14th gen processors, and a Wi-Fi 7 router, sold separately, Wi-Fi 7 is backwards compatible with prior 802/11 specification differs from the draft specification, it may affect the ability of the device to communicate with other 802/11BE devices. <sup>42</sup> 256GB TLC M2 SSD only available with 12th gen CPUs.

<sup>43</sup> T400 2GB is only avaiable with 12th gen CPUs.

<sup>44</sup> Storting from November 1st 2023, all shipments will require Windows to be installed on SSD to provide users a better experience. HDD can only be configured as additional data drives and not the boot drive. <sup>45</sup> All HP G9 Minis and AlOs support Wi-Fi 6E. HP 600/800 G9 TWR/SFF desktops with Intel<sup>®</sup> 13th Gen CPUs support Wi-Fi 6E. HP 600/800 G9 TWR/SFF desktops do not support Wi-Fi 6E or operate under 6GHz band when configured with Intel<sup>®</sup> 13th Gen CPUs wife loss access points limited. Wi-Fi 6E is backwards compatible with prior 802.11 specs. And available in countries where Wi-Fi 6E is a

supported. 56 HP Wolf Pro Security Edition (including HP Sure Click Pro and HP Sure Sense Pro) is available preloaded on select SKUs and, depending on the HP product purchased, includes a paid 1-year or 3-year license. The HP Wolf Pro Security Edition software is licensed under the license terms of the HP Wolf Security Software - End-User license Agreement (EULA) that can be found at https://support.hp.com/us-en/document/ish\_3875769.3873014-16 as that EULA is modified by the following: "7. Term. Unless otherwise terminated earlier pursuant to the terms contained in this EULA, the license for the HP Wolf Pro Security Edition (HP Sure Sense Pro and HP Sure Click Pro) is effective upon activation and will continue for either a twelve (12) month or thirty-six (36) month license term ("Initial Term"). At the end of the Initial Term you may either (a) purchase a renewal license for the HP Wolf Pro Security Edition from HP.com, HP Sales or an HP Channel Partner, or (b) continue using the standard versions of HP Sure Click and HP Sure Sense at no additional cost with no future software updates or HP Support.
