86" 4K UHD Google EDLA Certified IFP Interactive Display – Where Design Meets Performance

Elegance and functionality come together in the ProLite TE8615A-B1AG. This 86" 4K UHD panel not only delivers precision and performance, but also brings a premium look to modern classrooms and collaborative business environments.

With its button-free front panel (only a discreet power button), integrated pen holders, and a stylish fabric-covered bottom bezel that subtly houses high-quality front-facing speakers, the TE8615A elevates the visual experience of any room. It's more than a tool—it's part of your space. Coupled with DeepContrast-IR+ technology and Palm Rejection, it offers fluid and natural writing on the Optical Bonding LCD, eliminating parallax for an intuitive feel.

Features like WiFi 6, Bluetooth 5.0, NFC reader, and PIR motion sensor add a layer of connectivity, energy efficiency, and access control. With [iiControl](#) (DMS), [iiShare](#) and integrated [EShare](#) app (wireless screen sharing), the TE8615A-B1AG promotes seamless teamwork—whether you're presenting, teaching, or brainstorming.

The TE8615A-B1AG isn't just an interactive display—it's a centerpiece for connection, creativity, and collaboration, all wrapped in a refined, modern design.
