500 W Cordless Handstick Vacuum with Flexible Wand, Swivel Brush, HEPA H12 Filter & LED Display

EAN 6221127486827

VACUUM
CLEANER

- 500 W motor with 200 W suction and LED display for real-time battery status
- Flexible folding wand and swivel brush for effortless reach and maneuverability
- Washable H12 HEPA filter captures fine dust and allergens
- Up to 60 min runtime with 3 speed modes and quick-charge 3000 mAh battery
- Complete kit: motorized LED brush, crevice tool, 2-in-1 brush, and charging base

The Tornado VCHSKC500C is a premium cordless handstick vacuum designed for powerful, ergonomic, and efficient home cleaning. Powered by a robust 500 W motor plus a 50 W motorized brush, it delivers up to 200 W suction power to effectively remove dust, dirt, and hair from both hard floors and carpets. Its flexible multi-angle wand folds at the center, allowing you to clean under furniture effortlessly without bending down. The swivel floor brush head, featuring LED lighting, rotates smoothly for enhanced maneuverability in corners and along edges. A 3000 mAh lithium battery powers up to 60 minutes on low, 35 minutes on medium, and 12 minutes on high. The quick-charge base fully recharges the unit in just 4 hours, and an on-screen display shows real-time battery status for optimal control during cleaning. The vacuum features a 0.3 L dust container with one-touch emptying and a washable H12 HEPA filter, ideal for allergy-prone environments. Weighing only 4.5 kg, it combines lightweight usability with a modern white finish. Included accessories: motorized brush with rubber and hair strips, crevice tool, two-in-one brush, and a charging base—giving you everything you need for thorough, cordless cleaning in any part of the home.
