HP EliteBook 8 G1i 16 inch Notebook Next Gen Al PC

Next-gen Al redefines productivity for modern professionals

Focus on strategic work, experience seamless multitasking, and collaborate in unique ways with the HP EliteBook 8 G1i 16 inch Next Gen Al PC. Accomplish more, faster than ever by using Al to maintain momentum, offload tasks, and analyze data like never before.³

Empower your workforce with Al-driven performance

Engineered for reliable anywhere Alfueled productivity, this solution empowers hybrid workers. Built for corporate fleets with a 48 TOPS NPU³, it enhances remote and inperson teamwork with Poly Studio and easily managed security in hybrid environments.

Thoughtfully designed for the enterprise

Enjoy typing and navigating with the comfort and efficiency of the large keyboard and clickpad. Take advantage of enhanced performance and long battery life provided by Aldriven intelligence and a cutting-edge thermal design that keeps things cool and quiet.

Protected by HP Wolf Security

HP Wolf Security for Business creates a hardware-enforced, alwayson, resilient defense. From the BIOS to the browser, above, in, and below the OS, these constantly evolving solutions help protect your PC from modern threats.⁴

Sustainability in action

Help protect our shared future

The HP EliteBook 8 G1i Next Gen Al PC is designed using 70% ocean bound plastics in the keyboard membrane⁵, 50% post-consumer recycled plastic in the keycaps⁵, and the outer box packaging is 100% sustainably sourced and recyclable.⁶

HP EliteBook 8 G1i 16 inch Notebook Next Gen Al PC

Featuring

HP Recommends Windows 11 Pro for business with Microsoft Copilot

Work anywhere without compromising on performance with Windows 11¹ and HP collaboration, security, and connectivity technology. Summarize and get relevant content recommendations with Microsoft Copilot.⁷

Intel® powers PCs next-gen Al

Free up time to focus on what matters with the latest Intel® Core™ Ultra processor with an NPU^{2,3} purposely built for the next era of AI software.⁹

Optimize PC performance

Work without distraction with HP Smart Sense¹⁰ which makes automatic adjustments keeping your system cool and quiet and lets you enable performance mode when you need it most.

Work for hours with a long-lasting battery

Experience uninterrupted productivity with your choice of a powerful 62Whr or 77Whr battery. Enjoy extended battery life, ensuring you stay connected and efficient throughout your busy day.

Simplified serviceability

Address many service concerns including ease of repair with fewer screws, reducing the time and cost to repair with a keyboard that detaches from the c-cover and an end user replaceable battery.

Keep visual hackers at bay

Stop shoulder surfers in their tracks with optional HP Sure View¹¹ with onlooker detection that activates Sure View reducing visual light making your screen unreadable when viewed from the side.

Get the most out of your AIPC with HP AI Companion

Utilize HP Al Companion¹² to increase your productivity and keep you running at your best. This suite of generative Al tools finds relevant information, summarizes long articles, and generates content using your personal files to gain insights.

Collaboration through the NPU

Look your best on video calls and save some power too. Manage your video controls for internal and external cameras with Poly Camera Pro. 8 Now Auto Frame, Spotlight, Background Blur, and virtual backgrounds save power running on the NPU.

Updated sleek and stylish design

Make a statement in your next meeting with the updated thin and light design. Easily connect to a wide range of devices and networks with three USB Type-C® ports on the PC and an optional RJ-45 port. 13

Walk away lock and wake on approach

Wake and lock your PC with your presence. A proximity sensor in the optional 5MP +IR camera detects when you leave your PC and locks it. Upon your return, the sensor triggers the camera and Windows Hello to verify your identity and unlock the PC.¹⁴

One touch powers the PC and logs you in

Power up and log in with a single touch of the power key that combines the power button with an integrated fingerprint sensor enhancing both security and convenience.¹⁶

Enhanced predictive coverage

Limit interruptions with HP Premium+ Support, a smart service that alerts of potential device issues using predictive Al-powered insights, automation and proactive 24/7 support for our fastest diagnosis and repair—wherever work happens. 17,18
