

MPN: MC-MDPS-FR2-67W

Multi Desktop Power Socket 2 Ways

French, 1 x USB-A, 2 x USB-C, 67W, 1,8m

Elevate your workspace with the Multi Desktop Power Socket, designed to meet the diverse power needs of modern environments. This versatile power socket features two French outlets, one USB-A port, and two USB-C ports, providing a combined output of 67W. Whether you're in a conference room, an open office, or a home office, this power socket ensures that all your devices stay charged and ready for use.

The two French outlets offer reliable power for your essential office equipment, while the USB-A and USB-C ports cater to your mobile devices, tablets, and other gadgets. The 67W output is perfect for charging multiple devices simultaneously without compromising on speed or efficiency.

With a 1.8m cable, you have the flexibility to place the power socket wherever it's most convenient, ensuring that power is always within reach. The sleek and compact design seamlessly integrates into any workspace, reducing clutter and enhancing productivity.
