

Goldtouch Elite Split keyboard

The Goldtouch Elite is an ergonomic split keyboard for your fixed workstation.

The Goldtouch Elite is an ergonomic split keyboard for your fixed workstation. This ergonomic split keyboard can be slightly adjusted in its inclination angle between 0-30 degrees, and it is guaranteed that the keyboard remains very stable. For the optimal ergonomic usage, we recommend a split keyboard for people who type blindly in the ten-finger system. The keys have a key centre distance of 19 mm according to the DIN EN ISO norm and this promises a productive way of typing. In addition, the Goldtouch Elite has status LEDs, integrated multimedia buttons, and keys on the left side for a better distribution of work between your left and right arm. With this ergonomic split keyboard, you can work in a healthy posture and increase your performance at work.

Ergonomic background

Research shows that 90% of keyboard users seldom, if ever, use the numeric pad so this element is removed on a compact keyboard. This allows the mouse to be placed closer to the keyboard. Using a compact keyboard results in increased comfort because it reduces the reaching distance to the mouse (Cook, C., et al., 1998) and puts less strain on the shoulder and forearm. Significant improvements in musculoskeletal upper limb disorders were achieved using adjustable keyboards. (Hedge, et al, 2002).

Available documents

Manual available	Yes
Manual in package	Yes
Manual language	English
Technical drawing available	No

Product dimensions

Product weight [g]	1100
Product dimension length [mm]	165
Product dimension width [mm]	388
Product dimension height [mm]	20

Product design

Product colour(s)	Black
Anti-slip feet	Yes
Hand	Right and left
Package content	Keyboard, Manual
Protection bag included	No

Connectivity

Plug & play	Yes
Connection type	Wired
Length of cable [mm]	1464
Type USB connection	USB-A
Power saver	No
Dongle/ receiver included	No
Multi-pairing	No
Charging cable included	No
Usable during charging	No
USB charging ports	No

Battery & accu information

Battery needed?	No
(Integrated) battery included	No

System requirements

Compatible devices	PC, Mac
Compatible operating systems	Windows, Mac OS
Minimum requirements operating systems	Windows: 7-11, 2000, XP, Vista MacOS: X, 10.4 and later
