English | Deutsch | Français | Español | Nederlands

CAUTIONS

EN

- To avoid unnecessary personal injury and equipment damage, please read this guide carefully before installation.
- The appearance of the main unit and accessories in this guide is for reference only. Please refer to the actual model and items.
- Please use the accessories included in the packaging for installation. Yealink shall not be held liable for any damage resulting from alternative installation methods.
- Please handle all items carefully to avoid damage.
- The stand installation requires two persons.

At least two people are required to carry and install the host that is below 86 inches.

At least four people are required to carry and install the host that is 86 inches and above.

DE

- Um unnötige Personenschäden und Geräteschäden zu vermeiden, lesen Sie bitte dieses Handbuch vor der Installation sorgfältig durch.
- Das Erscheinungsbild des Hauptgeräts und des Zubehörs in dieser Anleitung dient nur als Referenz. Bitte beziehen Sie sich auf das tatsächliche Modell und die Artikel.
- Bitte verwenden Sie für die Installation das in der Verpackung enthaltene Zubehör. Yealink haftet nicht für Schäden, die sich aus alternativen Installationsmethoden ergeben.
- Bitte behandeln Sie alle Gegenstände sorgfältig, um Beschädigungen zu vermeiden.
- Für die Standmontage sind zwei Personen erforderlich.

Mindestens zwei Personen sind erforderlich, um den Host, der unter 86 Zoll liegt, zu tragen und zu installieren.

Mindestens vier Personen sind erforderlich, um Hosts zu tragen und zu installieren, die 86 Zoll und mehr betragen.

FR

- Pour éviter des blessures personnelles inutiles et des dommages matériels, veuillez lire ce guide attentivement avant l'installation.
- L'apparence de l'unité principale et des accessoires dans ce guide est donnée à titre de référence uniquement. Veuillez vous référer au modèle et aux articles réels.
- Veuillez utiliser les accessoires inclus dans l'emballage pour l'installation. Yealink ne peut être tenu responsable de tout dommage résultant d'autres méthodes d'installation.
- Veuillez manipuler tous les articles avec précaution afin d'éviter tout dommage.
- L'installation du support nécessite deux personnes.

Au moins deux personnes sont nécessaires pour porter et installer l'hôte qui est inférieur à 86 pouces.

Au moins quatre personnes sont nécessaires pour porter et installer des hôtes d'une taille de 86 pouces ou plus.

CAUTIONS

ES

- Para evitar lesiones personales innecesarias y daños en el equipo, lea atentamente esta guía antes de la instalación.
- La apariencia de la unidad principal y los accesorios en esta guía es sólo de referencia. Consulte el modelo y los artículos reales.
- Por favor, utilice los accesorios incluidos en el embalaje para la instalación. Yealink no se hace responsable de los daños resultantes de métodos de instalación alternativos.
- Manipule todos los artículos con cuidado para evitar daños.
- La instalación del soporte requiere dos personas.

Se requieren al menos dos personas para cargar e instalar el host que está por debajo de 86 pulgadas.

Se requieren al menos cuatro personas para cargar e instalar los hosts que tienen 86 pulgadas o más.

NL

- Om onnodige letsels en schade aan apparatuur te voorkomen, leest u deze gids zorgvuldig door vóór de installatie.
- Het uiterlijk van de hoofdeenheid en accessoires in deze handleiding is alleen ter referentie. Raadpleeg het daadwerkelijke model en de items.
- Gebruik de accessoires die in de verpakking zitten voor de installatie. Yealink is niet aansprakelijk voor schade die voortvloeit uit alternatieve installatiemethoden.
- Behandel alle artikelen voorzichtig om schade te voorkomen.
- Voor de montage van de stand zijn twee personen nodig.

Er zijn minstens twee mensen nodig om de host die onder de 86 inch is te dragen en te installeren.

Er zijn minstens vier mensen nodig om hosts te dragen en te installeren die 86 inch of groter zijn.

PACKAGE CONTENTS

Floor Stand

Plate

Tray

Bracket × 2

Wheel × 4

Open-End Wrench

* For wheel installation

Hex Key

Quick Start Guide

* Floor Stand

Screw × 8
(M8 × 16 mm)

* For plate and tray installation

* All pre-installed on the floor stand

Screw × 4
(M8 × 25 mm)

* For plate installation

Positioning Screw

* Pre-installed on the plate

ASSEMBLY STEPS

1 Install Wheels

1 Lay the stand on the floor.

2 Pull down the lever to lock the wheel.

3 Install the wheel and tighten it with the open-end wrench.

ASSEMBLY STEPS

2 Install Plate

- Please do not tighten screws when installing the plate; a gap of > 5 mm should be reserved until the tray is installed.
- The left side of the plate has a pre-installed positioning screw that can fit into the corresponding hole on the left stand to ensure correct plate direction.

1 Erect the two stands.

2 Hang the plate on the pre-installed screws.

3 Install the screw with the hex key.

3 Install Tray

- The tray has cable routing holes in the top left and right corners, which can be used with the cable management accessories on the stand to organize and secure the cables.
- Ensure that the grooves of the tray are facing forward.

ASSEMBLY STEPS

- 1 Hang the tray on the pre-installed screws.

- 2 Tighten all screws on the two stands with the hex key.

4 Install Bracket

You can thread cable ties through the holes on the back of the plate to secure other accessories like power strips, or adapters as required.

- 1 Install the bracket on the TV and tighten 4 screws with a screwdriver.

- 2 Hang the bracket on the plate.

- 3 Install and tighten the screws to secure the connection between the plate and the bracket.

PACKUNGSGEHALT

Bodenständer

Platte

Tablett

Konsole x 2

Rad x 4

Maulschlüssel

* Für die Montage von Rädern

Inbusschlüssel

Kurzanleitung

* Bodenständer

Schraube x 8
(M8 x 16 mm)

* Für Platten- und Tablettinstallation
* Alles vorinstalliert auf dem Bodenständer

Schraube x 4
(M8 x 25 mm)

* Für Platteninstallation

Positioning Screw

* Vorinstalliert auf der Platte

MONTAGESCHRITTE

1 Räder Installieren

1 Den Ständer auf den Boden legen.

2 Den Hebel nach unten ziehen, um das Rad zu verriegeln.

3 Das Rad installieren und mit dem Gabelschlüssel festziehen.

2 Platte Installieren

- Bitte die Schrauben beim Installieren der Platte nicht festziehen; es sollte ein Abstand von > 5 mm reserviert werden, bis das Tablett installiert ist.
- Die linke Seite der Platte hat eine vorinstallierte Positionierungsschraube, die in das entsprechende Loch am linken Ständer passt, um die korrekte Ausrichtung der Platte zu gewährleisten.

1 Stelle die beiden Ständer aufrecht hin.

2 Hänge die Platte an den vorinstallierten Schrauben auf.

3 Installiere die Schraube mit dem Inbusschlüssel.

3 Tablett Installieren

- Das Tablett verfügt über Kabeldurchführungen in den oberen linken und rechten Ecken, die zusammen mit den Kabelmanagement-Zubehörteilen am Ständer verwendet werden können, um die Kabel zu organisieren und zu sichern.
- Stellen Sie sicher, dass die Rillen des Tablets nach vorne zeigen.

MONTAGESCHRITTE

- 1 Hängen Sie das Tablett an den vormontierten Schrauben auf.

- 2 Ziehen Sie alle Schrauben an den beiden Ständern mit dem Inbusschlüssel fest.

4 Konsole Installieren

Sie können Kabelbinder durch die Löcher auf der Rückseite der Konsole führen, um bei Bedarf weiteres Zubehör wie Steckdosenleisten oder Adapter zu befestigen.

- 1 Montieren Sie die Konsole am Fernseher und ziehen Sie 4 Schrauben mit einem Schraubendreher fest.

- 2 Hängen Sie die Konsole an die Platte.

- 3 Installieren und ziehen Sie die Schrauben fest, um die Verbindung zwischen der Platte und der Konsole zu sichern.

CONTENU DU COLIS

Assiette

Plateau

Support × 2

Roue × 4

Clé à fourche

* Pour l'installation des roues

Clé hexagonale

Guide de démarrage rapide

* Support de sol

Vis × 8
(M8 × 16 mm)

* Pour l'installation de la plaque et du plateau
* Tout est pré-installé sur le support de sol

Vis × 4
(M8 × 25 mm)

* Pour l'installation de la plaque

vis de positionnement

* Pré-installé sur la plaque

ÉTAPES D'ASSEMBLAGE

1 Installer Les Roues

1 Posez le support sur le sol.

2 Abaissez le levier pour verrouiller la roue.

3 Install the wheel and tighten it with the open-end wrench.

ÉTAPES D'ASSEMBLAGE

2 Installer La Plaque

- Lors de l'installation de la plaque, veuillez ne pas serrer les vis; un espace de plus de 5 mm doit être réservé jusqu'à ce que le plateau soit installé.
- Le côté gauche de la plaque a une vis de positionnement préinstallée qui peut s'insérer dans le trou correspondant sur le support gauche pour assurer la bonne orientation de la plaque.

1 Dressez les deux supports.

2 Accrochez la plaque aux vis préinstallées.

3 Installez la vis avec la clé hexagonale.

3 Installer Le Plateau

- Le plateau comporte des trous de passage de câbles dans les coins supérieurs gauche et droit, qui peuvent être utilisés avec les accessoires de gestion des câbles sur le support pour organiser et sécuriser les câbles.
- Assurez-vous que les rainures du plateau sont orientées vers l'avant.

ÉTAPES D'ASSEMBLAGE

- 1 Accrochez le plateau aux vis préinstallées.

- 2 Serrez toutes les vis des deux supports avec la clé hexagonale.

4 Installer Le Support

Vous pouvez passer des attaches de câble à travers les trous à l'arrière de la plaque pour sécuriser d'autres accessoires tels que des multiprises ou des adaptateurs selon les besoins.

- 1 Installez le support sur la télévision et serrez 4 vis avec un tournevis.

- 2 Accrochez le support sur la plaque.

- 3 Installez et serrez les vis pour sécuriser la connexion entre la plaque et le support.

CONTENIDO DEL PAQUETE

Soporte de suelo

Placa

Bandeja

Soporte x 2

Rueda x 4

Llave fija

* Para la instalación de las ruedas

Llave hexagonal

Guía de inicio rápido

* Soporte de suelo

Tornillo x 8
(M8 x 16 mm)

* Para la instalación de la placa y la bandeja
* Todo preinstalado en el soporte de suelo

Tornillo x 4
(M8 x 25 mm)

* Para la instalación de la placa

Tornillo de
posicionamiento

* Preinstalado en la placa

PASOS DE ENSAMBLAJE

1 Instalar Ruedas

1 Coloque el soporte en el suelo.

2 Baje la palanca para bloquear la rueda.

3 Instale la rueda y afije la con la llave inglesa.

2 Instalar Placa

- Por favor, no afijen los tornillos durante la instalación de la placa; debe reservarse un intervalo de más de 5 mm hasta que se instale la bandeja.
- El lado izquierdo de la placa tiene un tornillo de posicionamiento preinstalado que puede encajar en el agujero correspondiente en el soporte izquierdo para asegurar la dirección correcta de la placa.

1 Erecte los dos soportes.

2 Cuelgue la placa en los tornillos preinstalados.

3 Instale el tornillo con la llave Allen.

3 Instalar Bandeja

- La bandeja tiene orificios para el paso de cables en las esquinas superiores izquierda y derecha, que se pueden usar con los accesorios de gestión de cables en el soporte para organizar y asegurar los cables.
- Asegúrese de que las ranuras de la bandeja estén orientadas hacia adelante.

PASOS DE ENSAMBLAJE

- 1 Cuelgue la bandeja en los tornillos preinstalados.

- 2 Apriete todos los tornillos en los dos soportes con la llave hexagonal.

4 Instalar Soporte

Puede pasar bridas a través de los orificios en la parte trasera de la placa para asegurar otros accesorios como regletas o adaptadores según sea necesario.

- 1 Instale el soporte en el televisor y apriete 4 tornillos con un destornillador.

- 2 Cuelgue el soporte en la placa.

- 3 Instale y apriete los tornillos para asegurar la conexión entre la placa y el soporte.

VERPAKKINGINHOUD

Vloerstandaard

Plaat

Dienblad

Beugel × 2

Wiel × 4

Steeksleutel

* Voor wielmontage

Inbussleutel

Quick Start Guide

* Vloerstandaard

Schroef × 8
(M8 × 16 mm)

* Voor de installatie van de plaat en de tray
* Allemaal vooraf geïnstalleerd op de vloersteen

Schroef × 4
(M8 × 25 mm)

* Voor de installatie van de plaat

Positioneringsschroef

* Vooraf geïnstalleerd op de plaat

MONTAGESTAPPEN

1 Installeer Wielen

1 Leg de standaard op de vloer.

2 Trek de hendel omlaag om het wiel te vergrendelen.

3 Monteer het wiel en draai het vast met de steeksleutel.

2 Installeer Plaat

- Draai de schroeven niet vast bij het installeren van de plaat; er moet een speling van > 5 mm worden behouden totdat de tray is geïnstalleerd.
- De linkerkant van de plaat heeft een vooraf geïnstalleerde positioneringsschroef die in het overeenkomstige gat op de linkerstandaard past om de juiste richting van de plaat te garanderen.

1 Zet de twee standaards rechtop.

2 Hang de plaat aan de vooraf geïnstalleerde schroeven.

3 Monteer de schroef met de inbussleutel.

3 Installer Le Plateau

- Het dienblad heeft kabeldoorvoergaten in de bovenste linker- en rechterhoek, die kunnen worden gebruikt met de kabelbeheeraccessoires op de standaard om de kabels te organiseren en te beveiligen.
- Zorg ervoor dat de groeven van het dienblad naar voren gericht zijn.

MONTAGESTAPPEN

- 1 Hang het dienblad aan de voorgeïnstalleerde schroeven.

- 2 Draai alle schroeven op de twee standards vast met de inbussleutel.

4 Installeer De Beugel

U kunt kabelbinders door de gaten aan de achterkant van de plaat halen om andere accessoires, zoals stekkerdozen of adapters, indien nodig vast te zetten.

About Yealink

Yealink (Stock Code: 300628) is a global brand that specializes in video conferencing, voice communications and collaboration solutions with best-in-class quality, innovative technology and user-friendly experience. As one of the best providers in more than 140 countries and regions, Yealink ranks No.1 in the global market share of SIP phone shipments (Global IP Desktop Phone Growth Excellence Leadership Award Report, Frost & Sullivan, 2019).

Technical Support

Visit Yealink WIKI (<http://support.yealink.com/>) for firmware downloads, product documents, FAQ, and more. For better service, we sincerely recommend you to use Yealink Ticketing system (<https://ticket.yealink.com>) to submit all your technical issues.
