

4-Way 360 Privacy Screen For iPhone 16 Pro, Supports Portrait/Landscape Orientation, Touch-Enabled, Tempered Glass Protector, 4Way Filter, TAA

Product ID: I16T3-PRIVACY-SCREEN

This Privacy Screen for the iPhone 16 Pro smoothly transitions from a clear view to an obscured screen beyond the intended viewing angle, significantly enhancing visual privacy in office or public environments.

The security filter ensures optimal privacy in portrait or landscape orientations when viewed beyond 30° from the center, covering a total visible area of 60°. It supports touchscreen input and gestures, preserving the interactive experience of an iPhone while maintaining the confidentiality of on-screen content.

Security shield with high-gloss finish that helps retain color vibrancy and features a coating to protect the display against scratches and fingerprints.

The included applicator frame ensures a quick, precise, and bubble-free installation directly onto the iPhone screen for a long-lasting fit. The tempered glass protector features a precise fit that does not interfere with the sensors around the display, front camera, or earpiece.

This Blue Light Reduction Privacy Shield reduces eye strain and improves visual comfort by blocking 50% of the blue light emitted from the display (in the 390nm - 440nm wavelength range).

Certifications, Reports and Compatibility

Applications

Features

- **PROTECT SENSITIVE VISUAL DATA:** 360 deg privacy screen for iPhone 16 Pro featuring Micro-louver technology that obscures the view outside a 60-degree viewing angle; Keep confidential data private and prevent visual eavesdropping in public spaces/on the go
- **360 DEGREES PRIVACY AND TOUCH:** Security shield maintains privacy in portrait or landscape modes within a +/- 30 degrees viewing angle; Touch-enabled privacy filter ensures an interactive experience while safeguarding on-screen content
- **SELF-ADHESIVE APPLICATION:** The 4way filter includes an application frame that ensures a precise, bubble-free, and hassle-free one-time installation directly onto the iPhone screen for a long-lasting fit
- **FOR IPHONE 16 PRO:** Privacy shield designed to fit the iPhone 16 Pro display; Exact fit will not interfere with the front camera, sensors around the display, and speaker; Screen protector with glossy finish
- **REDUCE EYE STRAIN:** Tempered glass screen protector blocks up to 50% of blue light, helping to reduce digital eye strain and improve visual comfort during prolonged use
