Lenovo 310 USB-A Wired Combo Keyboard and Mouse

The perfect combo for workspace productivity.

The Lenovo 310 USB-A Wired Combo combines a modern, space-saving design with reliable performance. The full-size 2.5-zone keyboard offers silent, fluid keystrokes, while the comfortable mouse ensures easy navigation. An integrated phone stand keeps your device within reach, making multitasking effortless. With wired USB connectivity, you get stable, trustworthy performance every time.

Why you need the Lenovo 310 USB-A Wired Combo Keyboard and Mouse

Minimalist design, maximum impact

Clutter is the enemy of productivity. That's why this ultra-slim, space-saving keyboard is designed to keep your desk sleek and organized. Its integrated phone stand keeps your device within easy view, so you can stay connected without breaking focus. The accompanying mouse is sculpted for comfort, ensuring fatigue-free use all day long.

Optimized comfort & efficiency

Enjoy typing like never before—soft, silent, and smooth. Whether you're working late into the night or in a shared space, this whisper-quiet keyboard won't disrupt your flow. Accidental spills? No problem. The keyboard's spill-resistant design keeps minor mishaps from turning into major setbacks. And with a high-precision 2000 DPI mouse, every movement is sharp, fluid, and effortlessly controlled.

Plug, play, and make a difference

No setup. No complications. Just plug into any USB port and get to work instantly. Plus, sustainability is built into every keystroke—crafted with 95% post-consumer recycled content, including 20% Lenovo brand post-consumer recycled content.
