Power back up without the wait

Avoid service center delays with a complete kit that includes all the necessary tools and a quick step-by-step guide for easy battery replacement—keeping downtime low and productivity high.

Seamless compatibility

Simplify your choice with one replacement battery that works with many systems. The HP 56Wh Replaceable Laptop Battery is compatible with a wide range of HP laptops.¹

Durable and dependable

Made to withstand extreme temperatures, humidity, shock and vibration, this battery has been rigorously tested² for reliability. Work without worry knowing it has built-in protection against overcharging, over-discharging, and short circuiting.

Sustainability in action

More charges, less waste

Thoughtfully designed, this long-lasting battery can support at least 1000 cycles,² helping reduce waste by eliminating the need for a complete device replacement. Plus, it comes in packaging made with recycled materials.³

HP 56Wh Replaceable Laptop Battery

Featuring

Everything you need in one box

Get everything you need to replace your battery--battery, triangular pry tool, screwdriver, instruction booklet, trays for insertion and removal, and resealable box.

Built for safe use

This battery offers built-in protections that guard against short-circuiting, overcharge, and over-discharge.²

1-year limited warranty

Experience HP quality and reliability. For added peace of mind, this battery comes with a 1-year limited warranty.

HP 56Wh Replaceable Laptop Battery

Specifications

Product number	BF8G6AA
Battery type	3 Cell Lithium-Ion Polymer cell
Battery capacity	56.04Wh ¹
Output voltages	11.58V
Charging temperature range	0° to 45° C
Discharging temperature range	-10° to 60° C
Warranty	HP standard one-year limited warranty
Certifications and compliances	CE Mark; UL 62368-1; CCC; KC; BSMI; PSE; IEC 62368-1; LVD; EMC; RoHS; GPSR; IEC 62133-2; BIS; MIC
What's in the box	1 Battery; 2 paper pulp trays that include double sided tape (for battery removal/replacement); 1 instruction booklet; Triangular pry tool and screwdriver
Dimensions (W x D x H)	255.8 x 67.8 x 6.68 mm
Weight	205 g
Package dimensions (W x D x H)	303 x 125 x 39 mm
Package weight	432 g

Footnotes

Messaging Footnotes

¹ Compatible with select HP commercial laptops. See sales team for compatibility details.
² HP Total Test Process testing is not a guarantee of future performance under these test conditions. Damage under the HP Total Test Process test conditions or any accidental damage requires an optional HP Accidental Damage Protection Care Pack.
³ Outer box contains at least 85% recycled material.

Technical Specifications Footnotes

¹ For new batteries, actual battery Watt-hours (Wh) may differ from the design capacity and may have a full charge capacity that differs by up to 10% from the design capacity, which is typical for lithium-ion batteries. Battery capacity decreases over time and with use, depending on several factors such as battery health management settings, shelf life, temperature, environment, loaded apps, features, system configuration, and power settings.
