

NEW:**FRITZ!Mesh Wi-Fi Set 2700 3-pack Edition International****FRITZ!Mesh Wi-Fi Set 2700 2-pack Edition International****Wi-Fi 7 – Mesh power for stable connections**

Dear business partner,

The new FRITZ!Mesh Wi-Fi Set 2700 makes **Wi-Fi 7** available with transmission rates of up to **6448 Mbit/s** – for a strong, fast home network. The Set can be purchased as a '3-pack' with three or '2-pack' with two Mesh Wi-Fi Extenders 2700. After easy installation via MyFRITZ!App, the Mesh network is ready to use right away and provides reliable Wi-Fi coverage in every area. Thanks to seamless connection technology, surfing, streaming and gaming can be enjoyed everywhere. **Manufactured in Europe**, the Mesh system fulfils **the highest safety and quality standards**. With FRITZ!OS it creates a fully-fledged FRITZ!Mesh home network offering all the familiar advantages of FRITZ!. **Free updates**, energy-saving features, **support without additional costs** and a **5-year warranty** are a matter of course.

Flexible integration into any network

The FRITZ!Mesh Wi-Fi Set 2700 can be connected to existing routers or fibre optic modems via LAN so that all FRITZ!Mesh functions are available throughout the network. If combined with a FRITZ!Box, the Set can also be connected via the usual Wi-Fi connection. The Mesh Wi-Fi Extender 2700 connected via LAN or Wi-Fi takes on the central control functions in the network. Setup is fast and convenient with the MyFRITZ! App.

Reliable Wi-Fi for every residence

Larger homes with 5 to 7 rooms are best served by the 3-pack FRITZ!Mesh Wi-Fi Set 2700. The three Mesh Wi-Fi Extenders 2700 ensure stable, fast provision of Wi-Fi for all devices. For households with up to 5 rooms, the 2-pack FRITZ!Mesh Wi-Fi Set 2700 is ideal. Here two Mesh Wi-Fi Extenders 2700 supply full Wi-Fi coverage at high speed.

No matter which Set you choose: The entire Wi-Fi network is secured with just one password and one network name. Additional access points can be integrated at any time with a push of the button.
