TAB4000

Great sound. Easy to use.

Want a soundbar to elevate your TV sound and viewing experience? Look no further than this one — you can expect quality audio and enhanced stereo at home, at a wallet-friendly price.

Enhanced sound so you don't miss a beat

- Seamless syncing and connections with HDMI-ARC
- Stereo sound with no distortions. 2.0 channels, 60 W max
- Bluetooth 5.4 for improved audio stability

Quality you can trust

- Built with EU expertise for reliable quality

Highlights

Clear stereo sound

For a soundbar that produces clear sound through 2.0 channels, consider this one for its quality and value-for-money performance. Volume up without distortion, so you can amp up the drama without missing the dialogue.

Improved audio stability

Sound made even better with audio streamed through your favourite mobile devices. Easy connectivity with Bluetooth 5.4 enables better sound synchronisation, for smooth audio streaming with reduced lag.

Easy, seamless connections

Expand the possibilities of sound with this soundbar. With versatile HDMI-ARC connectivity, sync up to other devices seamlessly without the clutter of multiple cables.

Quality you can trust

Experience high-quality TV sound on a compact soundbar, at a price that fits most budgets. Offering the reliability of European products, this soundbar adds a satisfying audio experience and expansion to your TV's sound.
