

Lenovo Legion Pro 5 (16",10)

RISE FURTHER. RISE FASTER. RISE NOW!

For aspiring competitive gamers looking to achieve that Platinum rank, the Legion Pro 5 is powered by Ryzen™ 8000 HX series processors and 50 Series NVIDIA® GeForce RTX™ Laptop graphics for elite performance. The Lenovo PureSight OLED Gaming display delivers ultra-clear visuals and lightning-fast response for high FPS play. Legion Coldfront: Hyper's advanced cooling keeps your system quiet and efficient, while Lenovo AI Engine+ optimizes performance in real time. Enjoy AI-synced RGB lighting, Legion TrueStrike's 1.6mm key travel, and soft-landing switches. Legion Space enables custom overclocking and AI-driven coaching.

WHY YOU SHOULD BUY THE LENOVO LEGION PRO 5 (16",10)

ULTRA-FAST MOBILE GAMING With AMD Ryzen™ 8000 Series Processors

The ultimate mobile processor is here. No matter what you do, a Ryzen™ 8000 HX series processor is what you need to get it done.

Game Changer

Powered by NVIDIA Blackwell, GeForce RTX™ 50 Series Laptop GPUs bring game-changing AI capabilities to gamers and creators. Multiply performance with NVIDIA DLSS 4, generate images at unprecedented speed, and unleash your creativity with NVIDIA Studio.

Legion Coldfront: Hyper

The Legion Coldfront: Hyper system keeps your device cool and quiet with turbo-charged fans and 3D copper heatpipes that direct airflow away from you, helping you focus. Fn+Q lets you easily switch between Quiet, Balance, Performance, or Extreme modes, adapting instantly to your gaming needs. Lenovo AI Engine+ fine-tunes the fans for stable, high FPS in Performance mode.

Lenovo PureSight OLED Gaming Display

Experience the OLED competitive edge to detect enemies in dim environments with industry-leading low latency and high refresh rate technology, all with breathtaking high-fidelity visuals and Smart Shift AI Technology for panel longevity.

AVAILABLE SERVICES (purchased separately)

Legion Ultimate Support²

Excel at any level with top-tier power players in your corner. Our dedicated experts from Legion Ultimate Support equip you with fast remote solutions as well as hands-on repairs. Gaming late into the night? They'll be up to help you via chat, email, or call. Alternatively, you can send your device to us hassle-free and at no extra cost.

Lenovo Smart Performance

Nobody can tune your PC better than the people who made it. Get the most from your device with Lenovo Smart Performance that automatically scans and resolves performance and security issues in minutes, helping ensure your PC stays in top-notch condition.

Lenovo Accidental Damage Protection

We all know the drill: spilt wine, spilt milk or an accidental fall or crash situation - the unexpected is bound to happen, even to exceptionally engineered PCs. With Lenovo's Accidental Damage Protection enjoy complete peace-of-mind knowing that your PC is fully protected against non-warranty damages.

Lenovo Sealed Battery Warranty

Long-lasting battery life is not just a feature but a necessity to help you stay productive and connected. Protect your PC's sealed battery from degradation, enjoy hassle-free battery replacement service, and safeguard your PC from future battery failure with our Sealed Battery Warranty Service.

Lenovo CO₂ Offset Service

Lenovo offers a simple and transparent way to help offset the estimated carbon emissions associated with your device. Lenovo's CO₂ Offset Service estimates the realistic carbon emissions linked to a device across its average lifecycle -- from manufacture to shipping, typical usage, and end-of-life -- and offsets such emissions by purchasing credits to support climate action projects verified by independent third-party organizations such as United Nations, CDH, Gold Standard®, and Climate Action Reserve.

McAfee® LiveSafe™

Register McAfee® to enjoy these benefits in your FREE 30-day trial.
