IdeaPad Slim 3x (15", 10)

The smarter choice for mobility.

No one left behind in the AI Era - Smarter computing meets bold design and durability. As a Copilot+ PC, the IdeaPad Slim 3x features 45 TOPS NPU for multitasking and smooth video calls. Its up-to-OLED 15" 16:10 display delivers elevated visuals, while the rugged chassis ensures reliability. With all-day battery life and Rapid Charge, get two hours of power in 15 minutes.

Power your day smarter with Copilot+

For anyone ready to embrace the future of computing, feel the speed and power of smarter computing with the IdeaPad Slim 3x, your AI-powered Copilot+ PC. With a 45 TOPS NPU, it crushes multitasking, keeps video calls flawless, and powers through the day with extended battery life. Built for work and play, it adapts to you and stays ahead with cutting-edge AI.

All-day power, fast charging, no limits

Stay charged and ready with all-day battery life and Rapid Boost. The IdeaPad Slim 3x's robust up-to-60Wh battery teams up with the Qualcomm® AI-enhanced processor for max power efficiency. In a rush? Rapid Charge powers you up with 2 hours of juice in just 15 minutes. Let's go!

Elevated visuals, more space, less strain

Get ready for elevated visuals with the IdeaPad Slim 3x's up-to-OLED 15" display featuring up to 2.5K resolution and a near-borderless design. Vivid colors, deep blacks, and sharp contrast make every detail shine, whether you're streaming, gaming, or creating. The 16:10 screen adds space, and TÜV certification keeps your eyes comfortable all day.

Your PC, your rules, your privacy

Your privacy and security, built in. The IdeaPad Slim 3x features a physical shutter for your webcam, so you're always in control of who's watching. Log in faster and safer with the fingerprint reader, while the Enhanced Security Suite adds extra layers of protection to keep your data private and your PC secure.

Premium, durable, ready for anything

The IdeaPad Slim 3x is built for reliability with a premium-grade metal chassis and military-grade durability from MIL-STD 810H tests. Whether it's everyday bumps, tough travel conditions, or life's unexpected moments, it delivers strong, dependable performance with a premium design. Ready for whatever, wherever.

Future-proof storage, no pros required

Upgrade your storage on your terms with the IdeaPad Slim 3x. The ready-to-expand SSD slot lets you DIY more space for files, apps, or games whenever you need it. No service centers, no hassle—just an easy way to keep your laptop ready for whatever comes next.

NOTEABLE MENTIONS

Standard

- ENERGY STAR® 8.0
- EPEAT™ Gold
- MIL-STD-810H
- TÜV Low Blue Light SW
- Lenovo AI Engine+ (LAT)

Optional

- Premium Care Plus
- CO₂ Offset
- TÜV Low Blue Light HW (OLED only)
- Windows Hello (Fingerprint only)

¹ Optional.

² All battery life claims are approximate to the half hour and based on two methods of testing: MobileMark® 2025 battery life benchmark @ 250 nits brightness and continuous 1080p video playback @ 150 nits brightness on the latest update of Windows 11. Actual battery life will vary and depends on many factors such as product configuration and usage, software use, wireless functionality, power management settings, and screen brightness. The maximum capacity of the battery will decrease with time and use.

³ The actual transfer speed of the USB 3.2 will vary and, depending on many factors, such as the processing capability of host and peripheral devices, file attributes and other factors related to system configuration and your operating environments, will be slower than a speed of 20 Gbit/s.

LENOVO SERVICES

Lenovo Premium Care Plus

Lenovo Premium Care Plus is the ultimate PC support experience with you as our priority 24/7. Enjoy personalized hardware and software support from a global network of elite technicians, along with accidental damage protection, fast repairs with onsite support, extended battery warranty, data migration assistance, and smart performance solutions that optimize PC performance and security.

Lenovo Smart Performance

Smart Performance Services within Lenovo Vantage will keep your system running at optimum performance and proactively fix issues that affect PC performance, internet performance, remove malware, and improve device security.

Lenovo Accidental Damage Protection

Avoid the hassles of unexpected damage & repair costs. With coverage for drops, spills, electric surges, and broken LCD screens, accidental damage protection makes it easy to repair to your PCs and ensures your device is up and running fast.

Lenovo CO₂ Offset Services*

Offset the carbon emissions of your PC with Lenovo CO₂ Offset Services - an easy and transparent solution to offset emissions across the average lifecycle of your device. These offsets are invested in UN-approved initiatives like renewable energy or ecological projects, thus contributing towards a more sustainable future.

Lenovo Sealed Battery Warranty

Long-lasting battery life is not just a feature but a necessity to help you stay productive and connected all day long. Protect your PC's sealed battery from degradation, enjoy hassle-free battery replacement service, and safeguard your PC from future battery failure with our Sealed Battery Warranty Service.

Lenovo Warranty Extensions (Up to 3 Years Duration)

Gain complete peace of mind by extending your base warranty to up to 3 years and minimize unexpected repair costs.
