# i-tec USB-C/USB-A Cable HUB 4 port (2x USB-C, 2x USB-A)

PRODUCT DESCRIPTION

This HUB provides four USB ports (2× USB-A and 2× USB-A), allowing you to connect your external keyboard and mouse, transfer data or movies from a USB flash drive at speeds up to 5 Gbps, or charge your mobile devices.
No drivers are needed — simply connect the HUB using the USB-C/A cable and start using it right away. Built-in overcurrent protection safeguards your computer in the event of a peripheral short circuit. The interface is also backward compatible with USB 2.0.
Thanks to its compact size and lightweight design, you can easily carry it with you wherever you go.
