

MPN: MC-DP-2XHDMI

Premium displayPort to 2x HDMI female MST Hub Splitter

Premium is a series of high-quality products within the MicroConnect brand, designed with premium materials, reliable performance, and a sharp modern design for professional connectivity solutions.

Expand your display possibilities with the MicroConnect MC-DP-2XDP – a compact, high-performance MST hub that transforms a single DisplayPort into two HDMI outputs. Ideal for productivity or entertainment setups, it supports up to 4K @60Hz on a single display or 4K @30Hz on dual displays via MST. With a durable aluminum shell, 10 cm PVC cable, and advanced LT8712EXI chipset, it delivers reliable, high-quality video in a sleek, portable design. Compatible with Windows (MST) and macOS (SST), and supports DSC, HDR, and HDCP for stunning visuals.

- 10 cm cable
- Single Display 3840*2160@60Hz; Dual Display MST/SST 3840*2160@
