- Foldable design for easy storage and travel

Description

Perfect for school, home, and everyday use, this 3.5mm Kids Headset is built with safety, comfort, and durability in mind. The built-in 85dB volume limit helps protect developing

ears, while the soft, adjustable design ensures a comfortable fit for extended wear.

An in-line microphone makes it ideal for online learning, video calls, and interactive lessons. The durable braided cable stands up to daily use, and the 1.6-meter length offers flexibility when connecting to tablets, laptops, and other devices..

With reliable, no-battery-required performance, this headset delivers safe, clear audio in a tough, kid-friendly design.
