

Epson Lifestudio Flex Plus — EF-72 Oak

A sleek 4K PRO-UHD projector designed with advanced immersive image and audio technology to enhance your lifestyle.

A sleek 4K PRO-UHD smart TV projector designed with a stylish, modern aesthetic to elevate any living space. Featuring advanced image and audio technology, ambient lighting, a flexible stand and effortless setup — all combined to deliver a seamless, immersive big-screen experience.

Stylish & Flexible design

Elevate any living space with a modern blend of metallic silver and oak-finish materials, complemented by ambient lighting to create the perfect atmosphere. Features a stand with 180° horizontal and +90°/-15° vertical adjustment delivering seamless projection flexibility.

Up to 3x brighter images*

Transform your home entertainment with bright, detailed 4K PRO-UHD visuals powered by Epson's 3LCD x RGB-LED technology and 1,000 lumens of brightness, delivering vivid, natural colours with no rainbow effect on projections up to 150 inches.

No extra speakers needed

Feel immersed with impactful, room-filling audio featuring Sound by Bose and Dolby Audio advanced technology. The custom-designed stereo system creates sound you can feel, delivering rich, balanced audio with deep bass. With Bluetooth connectivity for standalone speaker use.

Entertainment you love, with a little help from Google

Access your favourite content from across your apps and subscriptions in one place with Google TV, featuring 400,000+ movies and TV episodes across 10,000+ apps. Use Google Assistant voice commands to control your projector and Google Cast to stream directly from your smart devices.

Create unforgettable moments

Upload photos and videos to the big screen and invite friends and family to join in, while enjoying smart projection controls — all from your mobile device. Available to download from the App Store and Google Play.

Low-maintenance, long-life solution

Enjoy up to 10 years of worry-free entertainment. Featuring a long-life LED light source with no need for lamp replacements, this projector is designed for frequent use with minimal maintenance, all backed by a 5-year warranty for added peace of mind.

KEY FEATURES

● Stylish & Flexible design

A sleek blend of metallic silver and oak-finish materials, combined with ambient lighting to elevate any space. Features a stand with adjustable angles for flexible projection.

● Bright, vivid 4K PRO-UHD clarity

Up to 3x brighter images powered by Epson's 3LCD x RGB-LED technology and 1,000 lumens, delivering vibrant, natural colours with no rainbow effect on projections up to 150 inches*.

● Sound by Bose & Dolby Audio

Advanced audio technology delivers crystal-clear, room-filling stereo sound without the need for extra speakers, while Bluetooth connectivity enables standalone speaker use.

● Google TV & Google Assistant

Easy access to 400,000+ movies and TV episodes across 10,000+ apps, with all your favourite entertainment and subscriptions together in one place — including Netflix and more*.

● Epson Projection Studio app

A social app designed to help you create unforgettable moments and share them with friends and family, while enjoying smart projection controls — all from your mobile device.

● Durable & Reliable

Epson, the world leader in projectors since 2001, offers up to 10 years of worry-free entertainment with a long-lasting LED light source, backed by a 5-year warranty.

● Legal Statement

Complies with The UK Product Security and Telecommunications Infrastructure (Product Security) requirements. Epson will provide security updates for 7 years from purchase.
