DESCRIPTION

The EW3982 USB Type-C Notebook charger 90W is the perfect companion for your 15,6 inch laptop with a USB Type-C charging port. Your notebook is always charged with the right amount of power thanks to the pre-defined Power Delivery profiles. The charger communicates with your notebook to negotiate the most effective charging profile. Do you have a smartphone/tablet with USB Type-C? The EW3982 does charge your smartphone/tablet as well.

The EW3982 USB Type-C Notebook Charger with Power Delivery has an extra-long cable of 320 cm in total. You can move more freely with your notebook without sitting next to the power outlet. The EW3982 fits easily in your bag by its compact design.

The charger has a fourfold protection system, that protects against overheating, over voltage, over current and short circuits. Also, the USB Type-C charger stops charging when it notices that your battery is full.
