Highlights

Dual head trim & shave system

The innovative dual-head system offers you a smooth, close shave that leaves your skin feeling soft and refreshed, or a precise trimmed look that perfectly complements your unique style. This groomer has the versatility you need.

Triple Protect shave system

The Triple Protect shave system has patented pearl tips, hypoallergenic foil and a skin guard for enhanced skin comfort.

2D flexing head

With contour following technology, the 2D Flexing head adapts the shaver head to follow the contours of your body areas. Catching even the difficult hairs.

Trimmer with rounded tips

Our uniquely engineered blade technology with rounded tips is specifically crafted to be gentle on the skin, providing a more comfortable trimming experience.

Close results on skin

Shaving to 0.2mm, our cutting technology gives you the close and precise grooming experience you need. Featuring our diamond-shaped shaver foil that works seamlessly to ensure a smooth, even finish, leaving your skin feeling soft and refreshed.

Foldable back attachment

Our newly designed, foldable back attachment delivers an enhanced ergonomic experience and significantly improves reachability across the body. The handle comes with various settings to allow for comfortable shaving from all sides.

Optilight functionality

The built-in optilight provides valuable guidance, helping you target and remove every hair, including the stubborn ones in hard-to-see areas or low-light situations. Better visibility gives you a precise and thorough shave for an enhanced grooming experience.

Adjustable precision comb

The precision comb, with length settings in 0.5 mm steps from 1 to 3 mm, helps you achieve your ideal look by giving you an even trim at your desired length.

Adjustable comb (3-7 mm)

The adjustable comb with 3 to 7mm length settings gives you the control to craft your style at the ideal length you desire.
