Sandberg Solar Powerbank CampLED 20000 is made for those who need extra power - whether you're camping in the woods, hiking in the mountains, or just want to be well-prepared in everyday life. The high capacity of 20000 mAh provides power for many charges of your devices, so you can keep your phone, GPS, and other important gear running. The built-in solar panel lets you charge directly from the sun, without needing an outlet. The powerbank is built to last: robust, waterproof, and ready for tough conditions. And when darkness falls, the powerful LED lamp provides light for cooking or relaxing around the camp.
