

# Product Information Sheet

COMMISSION DELEGATED REGULATION (EU) 2023/2534 with regard to energy labelling of household tumble dryers

**Trademark:** Candy

**Model identifier:** GD 9N2-80

**Technology of tumble dryer** Electric heat pump condenser

## General product parameters:

| Parameter                                                                                                                                                                                                                    | Value          |      | Parameter                                     | Value         |    |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------|------|-----------------------------------------------|---------------|----|
| Rated capacity (kg)                                                                                                                                                                                                          | 9,0            |      | Dimensions (cm)                               | Height        | 85 |
|                                                                                                                                                                                                                              |                |      |                                               | Width         | 60 |
|                                                                                                                                                                                                                              |                |      |                                               | Depth         | 62 |
| Energy Efficiency Index (EEI)                                                                                                                                                                                                | 69,6           |      | Energy efficiency class                       | D             |    |
| Condensation efficiency (%) (if applicable)                                                                                                                                                                                  | 88             |      | Condensation efficiency class (if applicable) | B             |    |
| Weighted energy consumption in kWh per drying cycle. Actual energy consumption will depend on how the appliance is used.                                                                                                     | 1,28           |      |                                               |               |    |
| Programme duration (hours:minutes)                                                                                                                                                                                           | Rated capacity | 3:30 | Type                                          | Free-standing |    |
|                                                                                                                                                                                                                              | Half           | 1:50 |                                               |               |    |
| Acoustic airborne noise emission (dB(A) re 1 pW)                                                                                                                                                                             | 65             |      | Acoustic airborne noise emission class        | C             |    |
| Off-mode (if applicable) (W)                                                                                                                                                                                                 | 0,50           |      | Standby mode (if applicable) (W)              | 0,50          |    |
| Delay start (W) (if applicable)                                                                                                                                                                                              | 4,00           |      | Networked standby (W) (if applicable)         | -             |    |
| For household tumble dryers equipped with a heat pump, the chemical name or the accepted industry designation of the refrigerant gas used, without prejudice to Regulation (EU) No 517/2014 on fluorinated greenhouse gases. |                |      |                                               | R290          |    |

## Repairability information:

|                                                |       |
|------------------------------------------------|-------|
| Repairability Class (based on the index below) | A     |
| Repairability Index                            | 9,64  |
| Disassembly Depth ( $S_{DD}$ ) score           | 9,19  |
| Fasteners type score ( $S_F$ )                 | 10,00 |
| Tools type score                               | 10,00 |

|                                                                                                                                                                                                        |                                                                                                 |
