Ease of use

- Automatic shut-off after 60 min
- LED light tells you when the curler is ready to use
- Cool tip for easier and safer use
- Safety stand for easy use
- 1.8 m power cord
- Universal voltage

PHILIPS

Features

Natural looking curls

With the barrel diameter of 25 mm you can achieve a trendy curly look by creating natural looking, loose curls like no effort went into it.

Gentle on your hair

Protective ceramic coating ensures even heat distribution and less hair damage for shiny and soft hair.

Rheostat wheel

Rheostat wheel with 8 heat settings (from 130 to 200°C) allows you to choose the temperature that suits your hair type

200°C top temperature

Top temperature of 200°C guarantees perfect results even for thick hair, while minimizing hair damage.

Safe usage

Some hair straighteners and curling irons have been equipped with an automatic shut-off feature. This feature has been designed to provide peace of mind. If left on, the appliance will automatically switch off after 60 min.

Ready to use indicator

The LED light stops blinking when the curler has heated up and is ready to use.

Cool tip

The tip of the styler is made from a special heat insulating material to keep it cool; you can safely hold it while you're styling for optimal ease of use.
