

Kensington

Kensington EQ Privacy Screen Filter for 27'' Monitors 16:9

Privacy for the Modern Workspace

EQ270A169E

Product Description

Kensington EQ Privacy Screen Filters are an innovative privacy solution, utilising 49% post-consumer recycled (PCR) plastic. With a limited viewing angle of ±30°, they help safeguard sensitive information in busy offices and public spaces. EQ filters reduce blue light exposure, easing eye strain and potentially minimising disruptions to natural sleep patterns. With easy installation options, touchscreen compatibility and military-grade protection, EQ Privacy Screen Filters are a privacy solution for a wide range of laptops and monitors.

Features

- Made from 49% post-consumer recycled (PCR) plastic and shipped in FSC® certified packaging.
- Limited viewing angle narrows the field of vision to ±30°.
- Blue light filter eases eye strain and potentially minimises disruptions to natural sleep patterns.
- Installs using included frameless tab holders for quick removal, or double-sided tape for cleaner permanent setup.
- Anti-reflective coating reduces glare.
- Reversible matte and glossy viewing options.
- Scratch-resistant surface enhances durability and protection.
