

Contour Touch

Product sheet

Contour

For professionals dealing with shoulder pain, Contour Touch brings navigation back to centre, so you point, click and scroll without reaching to the side.

NAVIGATE WITHOUT SHOULDER PAIN.

The centrally located touchpad is positioned in front of you, so there's no need to reach to the side – relieving shoulder pain for those with shoulder problems.

FAMILIAR, HIGH-PERFORMANCE INTERACTION.

The high-resolution glass touchpad has a smooth surface for precise, effortless finger movements.

ADVANCED PRODUCTIVITY.

There is native support for the usual Windows finger commands – scroll, zoom, back and forward navigation to keep you productive while on your computer.
