- **STRESS-FREE SESSIONS:** No risk of running out of battery, ensuring uninterrupted cutting sessions
- **ADDED CONVENIENCE:** Comes with an extra-long 1.80 m cord for easy maneuverability and convenience

PRODUCT BENEFITS

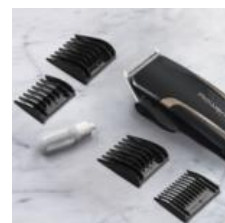

High-performance cutting

An electric hair clipper designed to meet all your needs, with high-quality stainless steel blades for perfect, long-lasting cutting efficiency.

Precise results

The adjustable trigger offers three additional micro-settings (1 mm, 1.5 mm, 2 mm) for a precise finish.

Long-lasting efficiency

The AC motor delivers a consistent 100% power supply, ensuring steady, high performance every time.

Perfect styling

Four adjustable hair combs offer different cutting lengths from 1 mm* to 12 mm—for an endless choice of hair styles. *1 mm = length without comb

Consistent Power Supply

With main power supply, you'll never worry about running out of battery, ensuring uninterrupted and reliable performance for every cutting session.

Comfort of use

The extra-long 1.80 m cord ensures maximum convenience and easy maneuverability.

Repairable at fair price - 15 years

- 6200 approved repairers worldwide
