Description

The 55"-100" Economy TV Trolley offers a robust and flexible display solution designed for large-format screens in offices, classrooms, conference rooms, and commercial environments. Supporting TV sizes from 55 to 100 inches, it accommodates most VESA-compatible flat panels with secure, stable mounting. The heavy-duty steel frame ensures reliable strength and durability, making it suitable for both professional and educational use.

Equipped with smooth-rolling lockable casters, the trolley provides easy mobility and safe positioning anywhere it's needed. Adjustable height settings allow users to achieve optimal viewing angles for presentations, meetings, or digital signage applications. An integrated cable management system keeps wires neatly organized, ensuring a clean, clutter-free appearance. Combining practicality, affordability, and stability, the 55"-100" Economy TV Trolley delivers excellent performance for large-screen displays—ideal for users seeking a dependable, mobile solution for dynamic and modern visual presentations.
