## 15.6" portable Full HD IPS monitor with USB-C, built-in speakers & leather cover

Work anywhere with the iiyama ProLite P1670HSC-B1, a 15.6" portable Full HD IPS monitor weighing just 0.7 kg. Slim and light, it's ideal for travel, remote work, or hot-desking.

Quick to set up, it offers two viewing angles (45° or 60°) and a leather cover that protects the screen and doubles as a stand. Built-in speakers deliver clear audio for calls and media, removing the need for extra devices.

A USB-C cable handles the display signal from your laptop to the monitor, while the crisp panel, flicker-free technology, and blue light reduction ensure comfort and productivity all day.

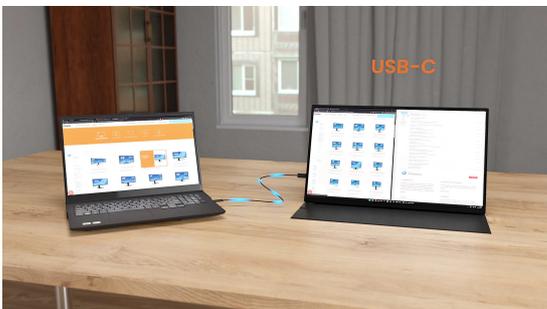

### Travel light and stay productive anywhere

Take this 0.7 kg portable monitor with you and create a 15.6" Full HD dual-screen setup perfect for boosting productivity on the go.

### Adjust your view for better comfort

Choose between 45° and 60° viewing angles to reduce neck strain and find the most comfortable position for work or entertainment.

### Connect with ease, work in comfort

With USB-C delivering up to 15W, your laptop stays charged while you work, using just a single, clutter-free connection. The reversible design means you never have to fumble or check which way to plug it in. It's a simple, reliable solution that keeps your focus on what matters most.

### Reduced eye strain & fatigue

Work, study or play longer without eye fatigue, thanks to flicker-free technology and reduced blue light emissions. These features help minimize eye strain and improve visual comfort, allowing you to stay focused and productive throughout the day.

## SPECIFICATION

### 01 DISPLAY CHARACTERISTICS
