

EC1080

USB 2.0 Type-C cable, C male to C male, 1m, PD 60W

- USB-C to USB-C data cable for charging, synchronising and data transfer
- Ideal for smartphones and tablets with USB-C
- Power Delivery: Supports up to 60W for fast and efficient charging
- Data Transfer Speed: Up to 480 Mbps, perfect for large file transfers and high-speed workflows
- Cable with a length of 1m

DESCRIPTION

Discover the perfect balance of performance, durability, and everyday convenience with our USB-C to USB-C data cable. Designed for modern devices, this cable ensures you can charge, sync, and transfer data without compromise.

Fast & Efficient Charging

Equipped with Power Delivery up to 60W (20V/3A), it delivers the speed and stability required for smartphones, tablets, and USB-C accessories. Enjoy quick top-ups and efficient power flow, making it an ideal companion for daily use.

Smooth Data Synchronization

With data transfer speeds of up to 480 Mbps, this cable makes syncing your files, photos, and music effortless. Whether transferring important documents or backing up your device, you can rely on a stable and consistent connection.

Optimized for USB-C Devices

Tailored for the latest generation of USB-C smartphones, tablets, and accessories, this cable guarantees universal compatibility, so you can keep all your devices powered and connected.

Built for Everyday Use

Crafted with high-quality materials and reinforced strain relief, this cable is designed to withstand the wear and tear of daily charging and data transfer. Flexible yet durable, it's engineered for reliability wherever you go.
