Typing, elevated

We're a firm believer in productivity and comfort going hand in hand. Adjustable cursor speed (800-1600 DPI) helps you find the perfect speed to tackle your work with, whilst floating low-profile keys and an adjustable typing angle ensure all-day comfort for work without pain.

The keyboard that does it all

This keyboard is for so much more than just typing. With easily accessible media and hotkeys, you can control what you need from the push of a button. What's more, the keyboard even has a convenient on/off switch to help you preserve battery life as much as possible!
