

EC1089

USB 2.0 Type-C cable, C male to C male, 2m, PD 60W, Fabric, black&white, 2 m

- USB-C to USB-C data cable for charging, synchronising and data transfer
- Ideal for smartphones and tablets with USB-C
- Power Delivery: Supports up to 60W for fast and efficient charging
- Data Transfer Speed: Up to 480 Mbps, perfect for large file transfers and high-speed workflows
- Cable with a length of 2m
- Durable fabric cable for a premium look and long-lasting flexibility.

DESCRIPTION

Elevate your charging and data experience with our USB-C to USB-C data cable, combining reliable performance with a premium design. Perfectly suited for smartphones, tablets, and other USB-C devices, it ensures seamless charging, synchronization, and file transfer every day.

Fast & Efficient Charging

With Power Delivery up to 60W (20V/3A), this cable provides fast, stable charging for all your compatible devices—keeping you powered up at home, in the office, or on the go.

Reliable Data Transfer

Enjoy transfer speeds of up to 480 Mbps, making it easy to move photos, music, and important files quickly and efficiently.

Premium Durability

Wrapped in a durable textile fabric, this cable not only offers long-lasting flexibility but also a refined, premium look. Built to withstand daily use while staying tangle-free and stylish.

Universal Compatibility

Designed for the latest USB-C smartphones and tablets, this cable ensures effortless connectivity across your device ecosystem.
