

RJ45 UTP CAT.6A, SELF-CRIMP, NO TOOLS REQUIRED 10.21.0601

EAN: 8433281016514

The connection flows as fast as your ideas.
No tools, no fuss: just instant networking.
And if you need to start over, reassemble
it as many times as you like. Pure Nanocable!

Crimp your network cable easily so it is
always ready to use.

Simply connect your cable and
secure it with the **clamp** to ensure
an uninterrupted connection.

Simple and **practical** design for easy
cable installation and crimping.
