

ThinkPad T14 Gen 6 (Intel)

Empowering business professionals to seamlessly manage complex projects on the go, this next-generation ThinkPad, powered by Intel® V, U, or H Series Core Ultra 5/7 processors, delivers exceptional performance. Whether handling resource-intensive tasks such as data analysis, video editing, or running sophisticated software applications, this device excels in all scenarios. With the integration of Copilot+ PC, the laptop optimizes system performance, ensuring a smooth and intuitive user experience. It intelligently manages system resources, keeping the laptop responsive and minimizing slowdowns. Configured with up to 64GB of DDR5-6400 memory, it significantly enhances overall system responsiveness, enabling faster data transfers and more efficient multitasking. Additionally, equipped with up to 2TB of M.2 2280 SSD storage, this laptop provides remarkable speed and ample space, allowing you to easily store large volumes of data, documents, and files.

Redefining possibilities with powerful performance and groundbreaking on-device AI

ThinkPad T series laptops offer professional-grade durability, powerful performance with good processors, ample memory, and fast SSD storage. They feature robust security features and long battery life for productivity on-the-go.

The 2W dual Dolby Audio™ stereo speakers deliver rich, immersive sound quality, perfect for crisp video conferencing and impactful multimedia presentations on the go. Optional 5.0MP + IR discrete cameras with a built-in privacy shutter ensure crystal-clear video while maintaining security and confidentiality.

Powering long work sessions, the 57Wh rechargeable Li-ion battery supports Rapid Charge technology, enabling users to recharge up to 80% in just an hour, reducing downtime between meetings or while traveling.

The Copilot+ PC experience elevates efficiency with features like Recall for productivity gains, Cocreator for AI-generated images, Live Captions for easier collaboration, and Windows Studio Effects for better videocalls. Plus, by running local AI apps on your device instead of in the cloud, your experience is more

Lenovo Services

Lenovo delivers tailored sustainability services, devices, and infrastructure solutions from our broad portfolio, working closely with you to support your target outcomes across the IT lifecycle..

Return To Depot Repair Warranty

- No-hassle repair process at a Lenovo service center
- Lenovo pays for all shipping between the customer and service facility
- Avoid unplanned operational expense with a simple annual fee

Accessories

Lenovo Essential Wired Keyboard & Mouse

- USB wired keyboard & mouse combo. Low profile island style keys, LED indicators & adjustable feet
- Spill-resistant keyboard with waterproof membrane to protect from accidental spills
- Mouse with 1000 DPI optical sensor and scroll wheel for precise control

PN: 4X30I79883

Lenovo Go Wireless Vertical Mouse

- 6-button mouse including 2 programmable side buttons and an IR sensor
- True Ergonomic vertical design with a 45-degree vertical grip made from treated cork material
- 800, 1600, 2400 adjustable DPI and 2.4 GHz wireless dongle connection
