8721103103758

Easy smart lighting

Step into the world of smart lighting with this Philips Hue Essential starter kit, featuring three full-colour and tunable white bulbs that you can easily adjust from warm and cosy to cool white light. Set the perfect mood with smooth dimming, millions of colours and a library of light scenes designed by our experts – or create your own! Connect to the included Hue Bridge to take advantage of the endless list of features. Control using your voice, the app or any smart accessory.

Limitless possibilities

- Away-from-home smart light control
- Sync films, TV programmes, music, and games to smart lights
- Easy, wireless installation

Easy smart lighting

- Control lights with your voice*
- Create a personalised experience with colourful smart light

Highlights

Control lights away from home

The Hue app gives you complete control over your lights, even if you're not home. Switch your lights off and on remotely using just the app to ensure your home is always lit the way you want it.

Sync films, TV programmes, music, and games to smart lights

Bring your entertainment to new heights by syncing the action on the screen or the beat of your music to your smart lights.* Choose the way you'd like to sync your lights to your film, music (including with our Spotify integration!), TV programme or game and watch as the colour-capable lights in your Entertainment area react. *Hue Bridge required

Easy, wireless installation

The battery-powered, wireless design of the Hue dimmer switch lets you mount it anywhere with the included adhesive tape. Remove the switch from its wall plate and use it as a remote control or attach it to any magnetic surface.

Control lights with your voice*

Philips Hue works with Amazon Alexa and the Google Assistant when paired with a compatible Google Nest or Amazon Echo device. Simple voice commands allow you to control multiple lights in a room, or just a single lamp.

Create a personalised experience with colourful smart light

Transform your home with over 16 million colours, instantly creating the right atmosphere for any event. With the touch of a button, you can set a festive mood for a party, turn your living room into a movie theatre, enhance your home decor with colour accents, and much more.

Specifications

- Number of switch cycles: 50,000
- Nominal lifetime: 15,000

Environmental

- Operational humidity: 5% <H<95% (non-condensing)
- Operational temperature: -20°C to 45°C

Extra feature/accessory incl.

- Batteries included: Yes
- Hue Bridge included: Yes

Guarantee

- 2 years: Yes

Light characteristics

- Colour rendering index (CRI): ≥80
- Colour temperature: 2200-6500 K

Packaging information

- EAN: 8721103103758

Power consumption

- Standby power consumption: 0.5 W
- Power: 3 W

Service

- Warranty: 2 year(s)

Technical specifications

- Diameter: 50 mm
- Weight: 50
- Bulb technology: LED
- Battery type: CR2032
- Energy class included light source: F
- Fitting/cap: GU10
- IP code: IP20 | Finger-protected
- Lumen output at 2700K: 345

The Bridge

- Diameter: 88 mm
- Frequency band: 2400-2483.5 MHz
- Height: 26 mm
- Max. number of bulbs: 50
- Mounting options: Desktop, Wall
- Power adapter: 100–240 V AC / 50–60 Hz
- Power consumption: 250mA max

The bulb

- Diameter: 50 mm
- Form factor: GU10
- Height: 55 mm
- Input voltage: 220V-240V
- Light output: 16 million colours, White and colour light
- Lumen output: 345 lm @ 2700K
- Max. operation power: 4.7 W
- Power factor: 0.48
- Software upgradable: Yes
- Start up: Instant 100% light output
- Wattage: 4.7 W
- Wattage equivalent: 50 W

The switch

- Batteries included: 1 x CR2032
- IP rating: 20
- Lifetime: 50000
- Max. lights per switch: 50 (with Hue Bridge)
- Minimal battery lifetime: 3 year(s)
- Mounting options: freestanding, wall
- Special features: Not applicable
- Switch depth: 11 mm
- Switch height: 92 mm
- Switch width: 35 mm
- Wall plate depth: 14 mm
- Wall plate height: 115 mm
- Wall plate width: 70 mm

What's in the box

- Bridge: 1
- Ethernet network cable: 1
- Hue bulbs: 3
