HP PSC 2510
Photosmart all-in-one
printer/fax/scanner/copier

The power of wireless all-in-one convenience

Do more. Create more.

Built-in wireless networking[1]
Enjoy wireless printing, scanning and memory card access.

Easy network sharing[1]
Up to 5 computers can tap into this exciting all-in-one.

True-to-life photo printing
Enjoy up to 4800-optimised dpi[2] or optional 6-ink colour[3] photo printing for true-to-life photo printing.

Print photos without a PC
Built-in 2.5″ colour image LCD, HP Photo Proof Sheet technology, multi-slot memory card reader[4] and photo e-mail[5] feature – now you can enjoy photo printing without a PC.

[1] Wireless performance is dependent upon distance and terrain between wireless network clients and the HP PSC 2510 Photosmart all-in-one.
[2] Up to 4800 x 1200-optimised dpi colour when printing from a computer and 1200-input dpi.
[3] 6-ink colour printing and copying available with purchase of photo cartridge (not included; sold separately).
[4] Supports CompactFlash™ Type I and II, Memory Stick®, Secure Digital™/ MultiMediaCard™, SmartMedia™ and xD-Picture Card™.
[5] Only available when configured for network.

HP PSC 2510
Photosmart all-in-one
printer/fax/scanner/copier

Unleash the possibilities with HP PSC 2510 Photosmart all-in-one, the advanced multi-function device for the networked home! It incorporates impressive printing, faxing, scanning and copying features as well as wireless[1] and wired networking capability. Thanks to true-to-life printing, a built-in colour LCD panel, an integrated memory card reader[2] and HP Photo Proof Sheet technology, it's simple to print stunning photos without using a PC. Now you can turn any creative idea into reality from anywhere at home!

All ready for the networked home

- **Wired and Wireless[1] Networking**
  Thanks to its built in 802.11b[3] wireless networking feature (compatible with 802.11g devices), notebook users equipped with Wi-Fi® capability are empowered with more freedom and flexibility in working style. Whether it's printing, faxing, scanning or copying, you can now do it all without cumbersome cables[1]. It's also easy to transfer images with the built-in memory card reader wirelessly[1].

- **Easy sharing for multiple computers**
  Up to 5 computers at home can share the creative possibilities that this all-in-one brings. For optimal performance, just connect the HP all-in-one to your PC or Mac Ethernet network via a router, switch or hub, and enjoy remote printing, faxing, scanning and copying.

True-to-life photo printing

- **HP PhotoREt 4 colour layering technology[4]**
  Show your photos in vibrant and lifelike colour! HP PhotoREt 4 colour layering technology with optional 6-ink colour[4] printing delivers a wider colour range and virtually grainfree printing. Now every photo can truly come alive.
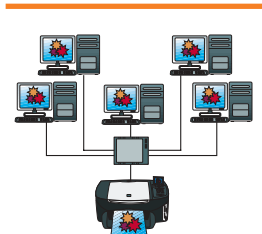

- **Up to 4800-optimised dpi colour[5]**
  Get the ultimate in high resolution digital photo printing with the 4800-optimised dpi[5] mode. This alternative printing mode is ideal for high resolution source images up to 1200 x 1200 dpi.

- **A4 borderless photos that last for generations**
  Print your favourite photos in A4 or 4″ x 6″ borderless format using HP Colourfast Glossy Photo Paper. And with the optional 6-ink colour[4] printing, your photos will be fade resistant for up to 73 years[6].

Print, fax, scan and copy wirelessly[1]

It's easy to share the all-in-one with multiple computer users

Plug-and-play Ethernet network connection

Lower resolution printout

With 4800-optimised dpi[5]

Print photos without a PC with advanced photo features

- **Multi-slot memory card reader[2]**
  A built-in multi-slot memory card reader[2] lets you print directly from CompactFlash Type I & II, Memory Stick, Secure Digital/MultiMediaCard, SmartMedia and xD-Picture Card.

- **2.5″ colour image LCD**
  A fully integrated large colour image LCD makes it easy to view, select and print photos without a PC. You can even rotate or add a border to an image before printing.

- **HP Photo Proof Sheet technology**
  Simply insert your digital camera's memory card into the integrated multi-slot memory card reader[2], print out an HP Photo Proof Sheet and shade the circles to print individual photos, album pages or a 9-frame action sequence from a video clip[7]. Just scan the completed proof sheet to print your selection – all without a PC.

Enjoy multi-function capabilities

- **Fast printing and copying**
  At 21 pages per minute[8] (ppm) for black and 15 ppm[8] for colour printing, you will never need to compromise in printing speed. Copying speeds are excellent too at 21 copies per minute[8] (cpm) for black and 14 cpm[8] for colour.

- **Versatile flatbed copying, scanning and faxing**
  With a versatile flatbed scanner, copying and scanning images from books and magazines is easy. You can even capture a snapshot of small 3D objects clearly too – thanks to HP's unique CCD scanning technology. Also enjoy flatbed colour faxing with the integrated 33.6kbps built-in modem and up to 60 fax numbers storage capacity.

A complete and easy-to-use software solution

- **HP Image Zone photo and imaging software**
  HP's unique software solution helps you make the most of digital files by providing one set of instructions, icons and menus for printing, scanning and copying functions. Its centralised control lets you view, print, edit and e-mail your digital images. The new image organiser now makes it easier to locate your photos, by grouping and displaying photos that have been uploaded in the same calendar month. And with the new 'project' feature, it's easy to create cards, flyers and photo album pages.

- **HP Memories Disc Creator software[9]**
  Easy to use and intuitive, HP Memories Disc Creator software[9] turns your digital image collection into multimedia slideshow. Simply burn the complete project onto a CD and it will play on virtually any PC or VCD/DVD player.

HP PSC 2510 Photosmart all-in-one
printer/fax/scanner/copier

Print	• Up to 4800-optimised dpi colour[1] • HP PhotoREt 3 colour layering technology • HP PhotoREt 4 colour layering technology with optional 6-ink colour printing[2] • Up to 1200-rendered dpi black • Wireless printing, scanning and memory card access with up to 5 home computers[3] **Print method**: HP Thermal inkjet printing **Language**: HP PCL Level 3 Enhanced **Duty cycle**: Up to 3000 pages per month

Speed[4]:

	Draft	Normal	Best
Black Text	Up to 21 ppm	Up to 7.7 ppm	Up to 0.9 ppm
Colour Graphics	Up to 15 ppm	Up to 5.1 ppm	Up to 1.0 ppm

Fax	• 33.6 kbps fax modem • Up to 3 seconds/page[5] at 33.6 kbps; 60 speed dials; 50-page memory[5] • Walk-up colour fax (does not require a PC) • Fax features include: Auto fax reduction, auto redialling, ring detect with automatic fax/answering machine switching, PC fax
Scan	• Up to 1200 x 2400 dpi optical resolution (up to 19,200 dpi[6] enhanced) • Up to 48-bit colour • Easily scan photos, documents, 3D objects and books up to letter size using flatbed scanner
Copy	**Black copy speed[4]**: Up to 21 cpm **Colour copy speed[4]**: Up to 14 cpm **Colour copy resolution**: Up to 600 x 600 dpi **Reduction/enlargement**: 25 to 400% **Maximum copies**: Up to 50 copies **Copier settings**: text/photo/mixed enhancements, fit-to-page, reduce/enlarge, poster, many-on-a-page, iron-on transfer • Walk-up copying (does not require PC)
LCD screen	2.5″ colour image LCD
Software included	**HP Image Zone photo and imaging software includes**: HP Director, HP Photo Gallery, HP Image Editor, HP Scan to E-mail, PC-Fax, HP Scan to Web, HP Creative Photo Projects, HP Memories Disc Creator, DVD Creator, IRIS™ Optical Character Recognition (OCR)
Paper Handling	Up to 150-sheet input tray, up to 50-sheet output capacity Optional two-sided printing accessory[7]
Interface and connectivity	Universal Serial Bus (USB), 10/100 Base-T Ethernet, 802.11b[8]
Memory card compatibility	CompactFlash Type I and II, Memory Stick, Secure Digital/MultiMediaCard, SmartMedia and xD-Picture Card
Media size	**Paper**: A4 210 x 297 mm, US letter 216 x 279 mm, US legal 216 x 356 mm, US executive 184 x 267 mm, B5-JIS 182 x 257 mm, A5 148 x 210 mm **Envelopes**: DL 110 x 220 mm, C6 114 x 162 mm, A2 111 x 146 mm **Cards**: 76 x 127 mm, 102 x 152 mm, 127 x 203 mm, A6 105 x 148.5 mm
Dimensions (w x d x h)/Weight	482.6 x 390 x 236.5 mm/8.7 kg
Operating systems	Microsoft® Windows® 98, 98 SE, Me, 2000 Professional, XP; Mac® OS 9.1 or later, OS X (Windows NT® 4.0, 95, 3.1, MS-DOS, Mac OS 9.0 and earlier not supported)
System requirements	**For all systems**: CD-ROM drive, networking and wireless features require a working Ethernet or wireless 802.11b/g network, available USB port and USB cable (for non-networked systems), Internet access and sound card recommended, SVGA 800 x 600 monitor with 16-bit colour, Microsoft Internet Explorer 5.01 or higher and Adobe® Acrobat® 4 or higher recommended, HP Memories Disc Creator software requires CD-Writer and 700 MB of additional hard disk space, full-colour scanning requires additional 50 MB hard disk space. **For PC**: Microsoft Windows minimum requirements: any Intel® Pentium® II or Celeron® processor (Pentium III or higher recommended); Microsoft Windows 98, 98 SE, Me, 2000 Professional or XP; 128 MB RAM for 98, 98 SE, Me, 2000 and XP (256 MB or higher recommended for all operating systems); 950 MB available hard disk space for software installation for 98, 98 SE, and Me (1.1 GB recommended); 1.1 GB available hard disk space for software installation for 2000 and XP (1.2 GB recommended). **For Mac**: Macintosh® minimum requirements: G3 processor (G4 or higher recommended); Mac OS 9.1 or OS X; 64 MB RAM for Mac OS 9.1 (128 MB or higher recommended); 128 MB for Mac OS X (256 MB or higher recommended); 100 MB available hard disk space for software installation for OS 9.1, 200 MB for OS X. **Additional information**: Please check our website www.officejetsupport.com or contact your local HP representative.
Power features	**Source (input voltage)**: 100 to 240 VAC (+/- 10%) **Input frequency**: 50/60 Hz (+/- 3 Hz) **Current**: 1 amp maximum **Consumption**: 80 watts maximum
Operating environment	**Recommended**: 15° to 32° C, 15 to 85% RH **Maximum**: 5° to 40° C, 15 to 85% RH **Storage temperature**: -40° to 60° C
Noise level	**Acoustic power emission**: printing (black): 6 B(A), printing (colour): 5.6 B(A), copying (black): 6 B(A), receiving fax: 5.8 B(A), idle: 3.3 B(A) **Acoustic pressure emission**: printing (black): 47 dB(A), printing (colour): 42 bB(A), copying (black): 46 dB(A), receiving fax: 43 dB(A), idle: 21 dB(A)

[1] Up to 4800 x 1200-optimised dpi colour when printing from a computer and 1200-input dpi.
[2] 6-ink colour printing and copying available with purchase of photo cartridge (not included; sold separately).
[3] Wireless performance is dependent upon distance and terrain between wireless network clients and the HP PSC 2510 Photosmart all-in-one.
[4] Print and copy speeds may vary according to the complexity of the documents and type of output.
[5] Based on standard ITU-T Test image #1 at standard resolution. More complicated pages or higher resolution will take longer and use more memory.
[6] The maximum dpi at which you can scan is limited by available computer memory, disk space and other system factors.
[7] HP Two-sided Printing Accessory is not included; sold separately.
[8] This 802.11b-enabled printer is compatible with 802.11g-compliant devices. Visit www.hp.com/support and search for "HP PSC 2500 Photosmart series overview" to learn more.
