# Highlights

## 1.2 m cable

The ideal cable length to give you the freedom to put your audio device where you want.

## 32 mm speaker driver

Compact for wearing comfort, yet big enough to deliver crisp, powerful sound, the 32 mm speaker driver is a perfect size for non-distorted listening enjoyment.

## Cushioned earshells

The whole ear shells of these Philips headphones are completely cushioned with soft foam. You will feel so comfortable that you will hardly notice you are wearing them.

## Rotatable ear shells

More user-friendly, rotatable ear shells design for hearing background sound easily

## Compact Foldable

Real compact foldable, which is excellent for travel and lets you take your music anywhere.

## In-line mic and pick up button

In-line mic and pick up button for easy conversation
