- Black

SHL4005/10

Dynamic bass

Tune in or out with the rotational ear cups

Headphone with classic headband headset design together with rotational soft cushioned ear shells makes you feel so comfortable, even for long listening sessions and while on the go.

Benefits

For superb music pleasure

- 32 mm speaker driver delivers big sound performance

Made to fit you and your lifestyle

- Completely cushioned earshells provide extra comfort
- Rotatable ear shells let you tune in/out of your surroundings

Always ready to go

- A 1.2 m long cable that is ideal for outdoor use
- Compact foldable design for easy portability
- In-line mic and pick up button for easy conversation

Features

1.2 m cable

The ideal cable length to give you the freedom to put your audio device where you want.

32 mm speaker driver

Compact for wearing comfort, yet big enough to deliver crisp, powerful sound, the 32 mm speaker driver is a perfect size for non-distorted listening enjoyment.

PHILIPS

Cushioned earshells

The whole ear shells of these Philips headphones are completely cushioned with soft foam. You will feel so comfortable that you will hardly notice you are wearing them.

Rotatable ear shells

More user-friendly, rotatable ear shells design for hearing background sound easily

Compact Foldable

Real compact foldable, which is excellent for travel and lets you take your music anywhere.

In-line mic and pick up button

In-line mic and pick up button for easy conversation
