PRODUCT DESCRIPTION

DESIGN MEETS FUNCTION

The semi-open design allows you to quickly access your laptop without fully opening the bag. Front pocket for charger, cables, or small accessories. Equipped with comfortable carrying handles and an adjustable shoulder strap for your preferred carrying style.

PROTECTION AND STYLE

Soft neoprene material protects against bumps and scratches, while the slim profile makes it easy to carry under your arm or in a backpack. The sleek black design fits just as well in everyday life as it does at work.

Reduce Waste with Every Purchase

By choosing Tolerate, you're saying goodbye to traditional blister packaging and instead welcoming our smart bulk packaging. You become an active part of reducing waste and take a step toward a more sustainable future. Tolerate delivers products in bulk packaging made from PLA, the more eco-friendly plastic alternative.

Protect smart—together, we can make a difference!

Recycling Instructions:

Product should be sorted as: Residual waste (Not recyclable)

Packaging should be sorted as: Plastic packaging*

*Tolerate uses PLA plastic in its packaging.

While PLA is compostable and can be recycled, it requires a sophisticated industrial composting facility. Composting facilities currently cannot separate bioplastics from other plastics.
