

Wall mounted SCO Flex - X003

SPFLEX011-X003

The wall-mounted SpacePole FLEX is the ideal self-service solution for environments where floor space is limited. With seamless support for screens up to 27" and printer peripherals, it's perfect for self-check-in, checkout, ordering, or product display, delivering smooth, efficient customer experiences while keeping operations running effortlessly.

Optimised Viewing Experience – Supports screens up to 27" with adjustable tilt for comfortable, customer-friendly interactions

Flexible Peripheral Integration – Easily connect payment, scanning, and printing devices for a tailored setup

Sleek, Professional Aesthetic – Modern design enhances any retail space with clean lines and smooth finishes

Fast, Hassle-Free Setup – Tool-free installation saves time and simplifies deployment

Effortless Maintenance – Quick-access magnetic panels reduce downtime and keep service smooth

Clean & Tidy Cabling – Smart cable management keeps installations neat and clutter-free
