

LBA02 Security Slot Adapter

Product Images

Short Description

- Provides a standard security lock slot (3 x 7mm) for laptops, tablets, monitors, and other devices
- Easy installation using an adhesive pad
- Made of durable steel

Description

The Security Slot Adapter offers a simple and effective way to add a standard security

lock slot to devices that lack built-in protection. Designed for laptops, tablets, monitors and other portable equipment, it provides a universal 3 x 7 mm slot compatible with most security cable locks.

Installation is quick and tool free. The included adhesive pad attaches securely to flat surfaces, allowing you to place the adapter exactly where it is needed on your device. Once installed, connect your cable lock to safeguard your equipment during everyday use.

The Security Slot Adapter provides instant security for a wide range of devices.
