## MOUNTING INSTRUCTIONS

1. (Optional) To connect SMA cables at the front, remove the pre-cut sections using a screwdriver and a hammer. (SMA cables not included.)
2. Place both rack brackets against the appliance and align the front.
3. Secure the appliance using the eight bolts.
4. Place the supplied power supply on the rack and secure it with two zip ties.
5. Connect the power supply to the appliance and secure the excess cable length to the rack.
6. Connect the appliance to the keystones using the supplied cables.
7. Bundle the cables with the Velcro straps.

Please ensure proper ventilation according to the network appliance manufacturer's guidelines.
