

QD6QV

QLED 4K UHD - VIDAA TV

Experience brilliant entertainment with Hisense QD6QV QLED TVs, featuring Quantum Dot Wide Colour Gamut technology for vivid, lifelike images. Enjoy unparalleled 4K quality through the innovative 4K AI Upscaler, ensuring refined picture details. Benefit from comprehensive HDR support and Dolby Atmos for immersive sound. Access Vidaa TV, AI Sports Mode, Voice Control, and Built-in Bluetooth for enhanced viewing and connectivity options.

QLED

Quantum Dot Wide Colour Gamut technology reproduces over a billion colour combinations for a wider spectrum of colours for true to life images.

Dolby Vision

Dolby Vision™ unlocks the full potential of HDR by dynamically adjusting brightness, contrast, and colour in every scene, delivering breathtaking detail, deeper blacks, and vibrant visuals for a truly cinematic experience.

AI Sports Mode

AI Sports Mode eliminates blurry motion in sports, delivering smooth and crystal-clear visuals for an immersive, stadium-like experience. It also enhances crowd noise and commentator voices, bringing the excitement of the game to life.

Dolby Atmos

Elevate your auditory experience with award-winning audio enhancement that unveils what you've been missing. The multidimensional spatial sound of Dolby Atmos puts you in the middle of the mission, bringing surroundings to vivid life all around you.

Voice Control

Easily control your Hisense TV using the remote's voice command feature. Just press the mic button to ask it to play music, check the weather, or catch up on the latest news, quick and hands-on convenience at your fingertips.

Total HDR Solution

Hisense TVs have taken the sensible approach to HDR with support for all major formats, including Dolby Vision, HDR10, HDR10+, and HLG. Never worry about subpar video quality or compatibility again.

4K AI Upscaler

Experience unparalleled 4K quality with Hisense's innovative 4K AI Upscaler. Unlike traditional upscaling, it computes neighbouring pixel colours, restoring lost details and reducing image noise. Elevate your viewing with refined picture quality for all your favourite contents.

Game Mode Plus

Serious gamers wanted! With a powerful blend of 60Hz variable refresh rate and Auto Low Latency mode, conquer any opponent with seamless gameplay, free from screen tearing. Level up and dominate the game!

VIDAA OS

Effortless to use, highly responsive, and consistently maintained with updates. The VIDAA OS offers access to an extensive library of streaming content from platforms like Netflix, Disney+, and Prime Video, along with smart features. We're confident you'll find something enjoyable for you and your loved ones, anytime.

Smart Home Ready

Effortlessly control your TV and connected devices through Google Home and Apple Home, creating a smarter, seamless experience for ultimate convenience and entertainment at your command.
