Key Features

Hybrid ANC Noise Cancellation

The WH68 Hybrid with Charging Stand features hybrid ANC (Active Noise Cancellation) technology, which combines both feedforward and feedback microphones and processing to eliminate noise frequencies in various scenarios.

The snug-fitting design of the ear cups further enhances the overall environmental noise reduction effect. This hybrid ANC technology provides an immersive sound experience, ensuring that you can focus on your tasks without distractions.

DECT & Bluetooth Wireless Technology

Equipped with innovative dual-mode wireless technology, the Yealink WH68 Hybrid with Charging Stand seamlessly integrates DECT and Bluetooth signals. This unique design enables users to achieve seamless connectivity with a variety of devices (PC, DeskPhone, Mobile). Whether you are in a busy office or on a business trip, you can flexibly choose the connection method of devices to ensure that every call is clear and smooth,

creating an ultimate communication experience for users.

Acoustic Shield Technology 3.0

The WH68 Hybrid with Charging Stand incorporates Yealink's Acoustic Shield Technology 3.0, utilizing four built-in microphones to block background noise and ensure clear communication automatically.

All-Day-Wearing Comfort

Based on extensive research and analysis, WH68 Hybrid with Charging Stand has been meticulously designed to meet the highest ergonomic standards. Through hundreds of head-form evaluations and thousands of wearing comfort tests, we have ensured that this headset provides optimal support and comfort for extended periods of use. Delivering unparalleled cloud-like comfort.

Ultra-long Range Connectivity

The WH68 Hybrid with Charging Stand offers connectivity coverage far beyond its peers, with a range of up to 150 meters. This provides users with significant freedom of movement while using the WH68 Hybrid. Users can move freely across various office areas while maintaining a stable connection and smoothly taking calls without worrying about signal interruptions.

Advanced Level of Call Security

DECT technology employs advanced encryption algorithms to provide high-level encryption for every piece of audio data and call information transmitted. This acts as an impenetrable shield for your information, thwarting any attempts at eavesdropping. The WH68 Hybrid with Charging Stand uses special signal encoding and frequency hopping techniques to disrupt signal transmission paths, making it difficult for unauthorized listeners to intercept and decode your communications. Whether in confidential business discussions or private conversations, you can be assured of information security. It ensures a stable and secure environment, whether on bustling streets or in equipment-dense office settings.

Specifications

Specifications	Introduction
DECT	• Connection type: Bluetooth® 5.3; DECT™ • Wireless range: up to 150 m/492 feet • Secure DECT (level): Step C • Connectivity: USB connectivity to PC and IP phone • Frequency bands: - 1880 – 1900 MHz (Europe), - 1920 – 1930 MHz (US) • Connection: - WDD60 Dongle - USB-A to USB-C Adapter
Bluetooth	• Bluetooth® device: Yes, in headset • Bluetooth version: Bluetooth 5.3 • Supported Bluetooth® profiles: HFP v1.8, A2DP v1.3.2, AVRCP v1.6.2, SPP v1.2 • Operating range: up to 50m/164 feet
Audio	• Speaker size: Φ 30 mm • Speaker frequency range: 20 Hz-20 kHz

	• Speaker bandwidth music mode: 20 Hz-20 kHz • Speaker bandwidth talk mode: 100 Hz-8 kHz • Microphone frequency range: 100Hz-10kHz • Microphone type: 6 MEMS microphone • Hearing Protection - Peak Block Protection (EN50332) - Australian G616 Protection (AU G616) - Daily Noise Exposure Protection • ANC: ☒
Battery	• Talk time: - DECT mode: up to 16 hours; - Bluetooth mode: up to 32 hours • Music time: - DECT mode: up to 19 hours - Bluetooth mode: up to 48 hours • Standby time: 195 hours • Charging time: 1.5 hours (5 V/1.2 A)
Ease of Use	• Headset - Answer/End/Reject a call - Hold/Unhold call - Volume up/down - Microphone mute - Move the microphone boom arm up to mute, or down to unmute - Power on/off/pairing - Ambient sound/noise canceling/off - Play/Pause music - Dual busylights
Comfort	• Wearing style: Stereo • Boom arm adjustable: ☒
Package Features	• Package contents: - Dual headset - WDD60 dongle - A-C adapter - Carrying case - 1 x 1.2m USB-C to USB-A cable - Quick start guide - Charging Stand for BH74/WH68 Hybrid • Optional accessories: - Replacement ear cushions • Weight: - Headset: 155 g - DECT Dongle: 4.5 g • N.W/CTN: 4.42 kg

	• Qty/CTN: 10 • Giftbox size(mm): 181 x 203 x 56 • Carton meas(mm): 590 x 187 x 216 • Warranty: 2-year limited warranty
